

Have your say on Mettam Drive

Feedback opens 10 April and closes 24 April 2019

Auckland Council and the Waitākere Ranges Local Board want your feedback on the development of the reserve area located on the corner of Gilbert Hall Way and Mettam Drive.

With two playgrounds already within walking distance of the park, this presents an opportunity to discuss a range of potential recreational options for the use of the space before any decisions are made.

We want to hear from you about what you would like to see in the reserve.

The community will be responsible for managing the shed, including providing access codes, ensuring stock is not damaged and liaising with Council in regard to any issues that may crop up.
