

Have your say on options to respond to flood safety risk in Piha

Feedback opens Friday 29 March and closes Tuesday 30 April 2019.

Extreme rainfall events on 3 February and 28 April 2018 led to significant flooding at Piha. On both occasions high water depths and velocities resulted in emergency evacuations and flooding at residential properties on Glenesk Road, Piha Campground and Piha Mill Camp. Access along Glenesk Road was also cut off as water depths and velocities made it unsafe for wading or vehicles.

To respond to a high flood safety risk in Piha, eight options that mitigate flood safety risk collectively to residents, the wider Piha community and visitors have been identified. The scope of the options does not impinge on private property rights or responsibilities.

They include existing and new initiatives focussed on collective approaches to:

- help keep people away from floods
- enhance our readiness and ability to respond to floods
- help keep floods away from people through physical works.

Before providing your feedback, we recommend you read the options we have outlined in the supporting information which can be found or obtained in the following ways:

- online at www.aucklandcouncil.govt.nz/haveyoursay
- at the Piha Community Library, Waitakere Ranges Local Board office and Arataki Visitor Centre
- email HWDevelopment@aucklandcouncil.govt.nz to request a copy be sent to you
- phone 09 301 0101 to have a copy sent to you.

Consultation closes on **Tuesday 30 April 2019**.

Your contact details

Your name and feedback will be publicly available in Auckland Council reports and online. All other personal details will remain private.

First name: _____

Last name _____

Email address: _____

Postal address: _____

Postcode: _____

Your local board/suburb: _____

Is your feedback on behalf of an organisation?

- Yes – I am the official spokesperson for the organisation
- No – these are my own personal views

If yes, what is the name of your organisation?

Would you like to subscribe to any of the following (tick all that apply)

- People's Panel – to take part in council surveys
- Our Auckland - your weekly guide to what's happening in Auckland
- Waitākere Ranges Local Board database - to receive email updates about this topic and others in the local board area

A list of possible options is shown below and is described in more detail in the supporting material.

Current situation to keep people away from flooding	<ul style="list-style-type: none">• Option 1: Local responses to minimise the impact of storm events (continuation of current support)
Enhancing readiness and response to flooding	<ul style="list-style-type: none">• Option 2: Increase flood warning time• Option 3: Enhance ways of warning people• Option 4: Raise Glenesk Road
Physical protection works to help keep flooding away from people	<ul style="list-style-type: none">• Option 5: Build a dam(s) to contain flood water• Option 6: Build a tunnel to divert flood water• Option 7: Widen the stream to increase water flows• Option 8: Clear/dredge the stream from Seaview Road Bridge to the sea to increase water flows

Which is your preferred option(s) for managing flood safety risk in Piha?

- Option 1 Option 2 Option 3 Option 4
 Option 5 Option 6 Option 7 Option 8
 Other (please detail the other options you think should be considered)

Are there any other comments about the options that you would like to make?

All personal information that you provide in this submission will be held and protected by Auckland Council in accordance with our privacy policy (available at aucklandcouncil.govt.nz/privacy and at our libraries and service centres) and with the Privacy Act 1993. Our privacy policy explains how we may use and share your personal information in relation to any interaction you have with the council, and how you can access and correct that information. We recommend you familiarise yourself with this policy.

Which of the following best describes you?

- Resident/property owner with habitable floors within the floodplain
- Neighbouring resident whose access is restricted by flooding in Glenesk Road
- Member of the wider Piha community (resident / property owner / business in Piha)
- Visitor to Piha
