QUESTIONS RELATING TO THE DRAFT PROPOSAL FOR A REGIONAL FUEL TAX

To answer the following questions, please read the draft proposal document. All of these questions are optional.

Question 1

Without a Regional Fuel Tax (RFT) the funding available will only cover renewing our existing transport network and the projects we have already committed to for example the City Rail Link.

To enable us to deliver projects that improve congestion, public transport and road safety, we recommend an RFT of 10 cents per litre plus GST (11.5 cents). What is your opinion on this proposal?

☐ Support  ☐ Do not support  ☐ Other
