Event definitions

One event (see section 1) for a special licence is:

- an occasion or a gathering which takes place without a break, or on consecutive days (e.g. a sports tournament or a food and wine show). If you are applying for a number of events that are unrelated to one another you need to submit an application form for each individual event.

A series of events (see section 2) is a group of related events which takes place over several weeks or months (e.g. monthly club meetings or a multi-week sports tournament). The number of people expected to attend each individual event determines the class. If you are applying for a series of events with different classes, you need to apply for each class in a separate application form.

Section 1: One event

Step 1: Use the number of people expected to be at the event to find and tick your special licence class.
