Operations relating to DLC Operations & Experiences in 2022-2023

5 Please comment on any changes or trends in the DLC workload in 2022-2023

required:

It is now standard to have a virtual attendance option for all DLC hearings.

The number of applications processed in Jan – Apr 2023 was lower than usual. This may be a reflection of the COVID-19 lockdowns that commenced three years ago in March 2020.

There has been a 30% increase in the number of premises hearings (21 in 21/22 to 27 in 22/23) and a very small increase in the number of opposed managers certificate hearings (14 in 21/22 to 15 in 22/23). This can be put down to Auckland being almost back to normal trading following the Covid-19 pandemic.

6 Please comment on any new initiatives the Committee has developed/adopted in 2022-2023.

7 Has your DLC developed a Local Alcohol Policy?

Yes

7A If yes at what stage is the policy?

Under appeal to ARLA?

8 If the answer to 7 is 'in force', what effect do you consider your Local Alcohol Policy is having?

required:

Nil at this stage as its still under appeal.

9A If the answer to 7 is 'in force', is your Local Alcohol Policy due for review?

No

9B If the answer to 9A is Yes, has such a review been undertaken; and, if so with what result?

required:

10 Please comment on the ways in which you believe the Sale and Supply of Alcohol Act 2012 is, or is not, achieving its object. Note: the object of the Sale and Supply of Alcohol Act 2012 is that: a) the sale, supply, and consumption of alcohol should be undertaken safely and responsibly; and b) the harm caused by the excessive or inappropriate consumption of alcohol should be minimised.

required:

-We will be in a better position to comment after 12 months of the new legislation.

11 What changes or trends in licensing have you seen since the Act came into force?

required:

-Expansion of different ways to sell alcohol in particular the remote sale of alcohol.

On licence premises expanding beyond the traditional so that now many premises are multi-functional catering to all sorts of activities.

12 What changes to practices and procedures under the Act (if any) would you find beneficial?

required:

-We will see how the new legislation works out
