

Monte Cecilia Park Accessible Map

Accessible Information

The loop path through the site has areas of steep gradient and is partially constructed with gravel. The paths surrounding Pah Homestead are flat and provide an accessible loop around and access into the building. Accessible car parking is available. In addition, accessible toilets are located adjacent to the carpark.

This map indicates which facilities and amenities are accessible. All park features on the map which are orange in the key are accessible. The Puketāpapa Local Board are working towards improving accessibility in this park.
