To: the Registrar of the Environment Court at Auckland

And to: the Appellant

And to: Auckland Council

BUNNINGS LIMITED ("Bunnings") wishes to be a party to an appeal by the National Trading Company of New Zealand Limited ("**Appellant**") against part of a decision by Auckland Council ("**Council**") to reject a recommendation by the Independent Hearings Panel ("**Panel**") in relation to the Proposed Auckland Unitary Plan ("**Unitary Plan**").

Nature of interest

1. Bunnings is the leading retailer of home improvement and outdoor living products in Australasia. Bunnings operates ten warehouses, two smaller format stores, and two trade centres in the Auckland Region and is undertaking further retail development.
2. Bunnings was a submitter on Topic 043 / 044 and was a member of the "Key Retailers Group". The Key Retailers Group presented evidence at the Topic 043 / 044 hearings on behalf of Bunnings and the other members of that group.
3. Bunnings is not a trade competitor for the purposes of section 308C of the RMA.

Extent of interest and reasons

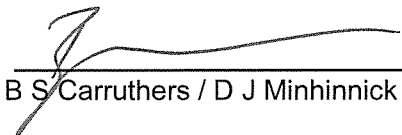

4. Bunnings is interested in the entirety of the proceedings and supports the Appellant's appeal for the following reasons:
 - (a) the removal of minimum parking rates does not promote the purpose of the RMA;
 - (b) the removal of minimum parking rates does not represent the most appropriate means of exercising the Council's function regarding the efficiency and effectiveness of other available means, and is therefore not appropriate in terms of section 32 of the RMA; and
 - (c) the Council's decision to reject the recommendation by the Panel was based on a theoretical assessment and there is no practical basis for removing minimum parking rates.

Relief sought

5. Bunnings supports the relief sought by the Appellant and in particular, seeks that:
 - (a) the minimum parking rates for retail and commercial services in the Metropolitan Centre, Town Centre, Local Centre and Mixed Use zones recommended by the Panel be included in the Unitary Plan; and
 - (b) any consequential relief which may be required as a result of allowing all or any aspects of the appeal.
