

Memo

Date 24 July 2019

To: Phill Reid, Auckland-wide Manager
From: **Bronnie Styles – Planning Technician**

Subject: **Plan Modification: Clause 20A Amendment to Designation 4662 11 Scott Road, Hobsonville of the Auckland Unitary Plan (AUP) Operative in part (15 November 2016).**

Delegated authority to T4 manager through Schedule 2A of the Auckland Council Combined Chief Executives Delegation Register (Updated May 2017).

This plan modification requires decision-making pursuant to clause 20A of the First Schedule to the Resource Management Act 1991, as corrections are required to the Auckland Unitary Plan (Operative in Part).

Rule or Section of Unitary Plan	Chapter K Designations – Minister of Education 4662 11 Scott Road, Hobsonville
Subject Site (if applicable)	11 Scott Road, Hobsonville
Nature of change	An administrative change is required to correct a Minister of Education designation, 4662 11 Scott Road, Hobsonville to the Operative in Part version. Discussion The designation number 4662 was incorrectly transposed from 4662 to 4622 in the designation text. A simple correction in two places is required to correct the designation text.
Effect of change	These changes are in a minor nature, the amendments do not change the intent of the provisions but corrects an administration error.
Changes required to be made	Amend designation 4662 11 Scott Road, Hobsonville in the Operative in Part version as per the attached document.

4622 4662 11 Scott Road, Hobsonville

Designation Number	46224662
Requiring Authority	Minister of Education
Location	11 Scott Road, Hobsonville
Lapse Date	10 years after the date it is included in the Auckland Unitary Plan under section 175 of the Resource Management Act 1991 if it has not been given effect to before the end of that period

Purpose

Educational purposes – Primary School (years 0-8) and may include an early childhood education centre (ECE)

Conditions

The standard conditions for all Minister of Education designations apply to this designation. Where any standard condition conflicts with the following site specific condition(s), the site specific condition shall take precedence.

1. Contamination

A Site Management Plan for Contaminated Land shall be prepared for any proposed remedial and construction works associated with the establishment of the school. The plan shall detail the manner in which the works will be managed to mitigate any potential effects from contaminant discharges on the environment.

2. Geotechnical

Prior to any site development and/or earthworks to divert overland flow paths and floodplains onsite, a detailed site- and development-specific geotechnical investigation shall be prepared by a suitably qualified and experienced professional familiar with the Geotechnical Report carried out by Jacobs (Appendix 6 of the Notice of Requirement Report).

3. Travel Plan

Prior to the opening of the school, the requiring authority shall either directly or through the School Board of Trustees, develop a Travel Plan which provides specifically for measures to reduce vehicle dependence, including walking school buses, carpooling, the encouragement of the use of public transport, and the encouragement of walking and cycling. This Travel Plan shall also specifically address the following matters:

- a. Safe access to the entry points of the school. Features such as kea crossings or zebra crossings should be specifically considered.
- b. Consistency with or use of Auckland Transport's TravelWise Programme, or any equivalent programme adopted.
- c. Measures to separate vehicle entry and pedestrian/cyclist entries.

This Plan shall be developed in consultation with Auckland Transport and shall include a monitoring programme. This plan will be revised at the time of submitting each subsequent Outline Plan of Works relating to increased student capacity.

4. Road Provision and Design

Scott Road shall be upgraded to an urban standard and the proposed road to the west of the site shall be constructed prior to the primary school and early childhood education opening, unless otherwise agreed with Auckland Transport. These roads shall be designed in general accordance with the Auckland Transport Code of Practice (ATCOP), or any document that supersedes it, and the Scott Point Structure Plan in consultation with Auckland Transport. The road design shall include provision for:

- a. Bus access, bus stops and shelters;
- b. Dedicated cycling facilities;
- c. Appropriate width pedestrian footpath to meet primary school demand;
- d. Pedestrian and/or kea crossings at appropriate locations; and
- e. Traffic management and calming measures, such as speed tables and signage; and shall consider:
- f. Parking design and management, including use of no-stopping at all times lines (yellow lines); and
- g. Integration of these roads and their elements with the wider road network.

The proposed road to the north of the site shall include provision for an appropriate width pedestrian footpath to meet primary school demand. This shall be constructed prior to the primary school and ECE opening.

5. On-site Pick-up and Drop-off

- a. An on-site pick-up and drop-off facility shall be provided. The number of pick-up and drop-off bays shall be determined by an assessment of the peak demand for vehicles entering and exiting the site, to be demonstrated by a transport assessment to be submitted as part of any outline plan to increase classroom numbers. Bays may be provided on a staged basis consistent with each stage of school development but should be located and designed to ensure additional bays can be accommodated on-site should the school grow in the future.

For the avoidance of doubt, any short-term pick-up and drop-off spaces are part of and not in addition to the minimum number of spaces required by standard conditions 3 and 4.

- b. An assessment or the need for a bus pick-up and drop-off facility shall be submitted as part of any outline plan to increase class room numbers. Bus facilities may be provided on a staged basis consistent with each stage of school development.

6. Transportation Documents to Support Outline Plan of Works

The requiring authority shall submit with an outline plan of works for the construction and development of the school and/or early childhood education facility:

- a. A School Design Concept Plan including:
 - i. General location of access points, staff car parking and drop-off pick-up areas;
 - ii. A summary of the manner in which it is anticipated that the school development will change over time as it accommodates intensifying use, and where any additional on-site parking and pick-up and drop-off facilities are planned to be located should the school grow in the future
- b. A traffic impact assessment prepared by a suitably qualified traffic engineer and/or transportation planner, which addresses the safety and efficiency of:
 - i. Access to the school for pedestrians, cyclists and vehicles (including buses, rubbish trucks and ground and building maintenance) and measures to avoid

- conflict between these transport modes;
- ii. On-site staff car parking, on-site pick-up and drop-off facilities, and cycle and scooter parking, and loading spaces for deliveries and rubbish removal;
 - iii. Walking and cycling impediments within the walking and cycling catchment of the school and any measures needed for the safe movement of pedestrians and cyclists to the school; and
- c. Traffic generation and any means of mitigation should the school grow in the future.
 - d. The results of the Travel Plan monitoring programme required by condition 5.

7. Construction

A Construction Management Plan shall be prepared and submitted with any Outline Plan of Works for major site works.
