The screenshot displays the Auckland Council's online planning tool interface. The main map area shows a brown-colored lot with a cyan outline, situated next to a road and a green area. A 'Property Summary' panel is open on the right side of the screen. The panel contains the following information:

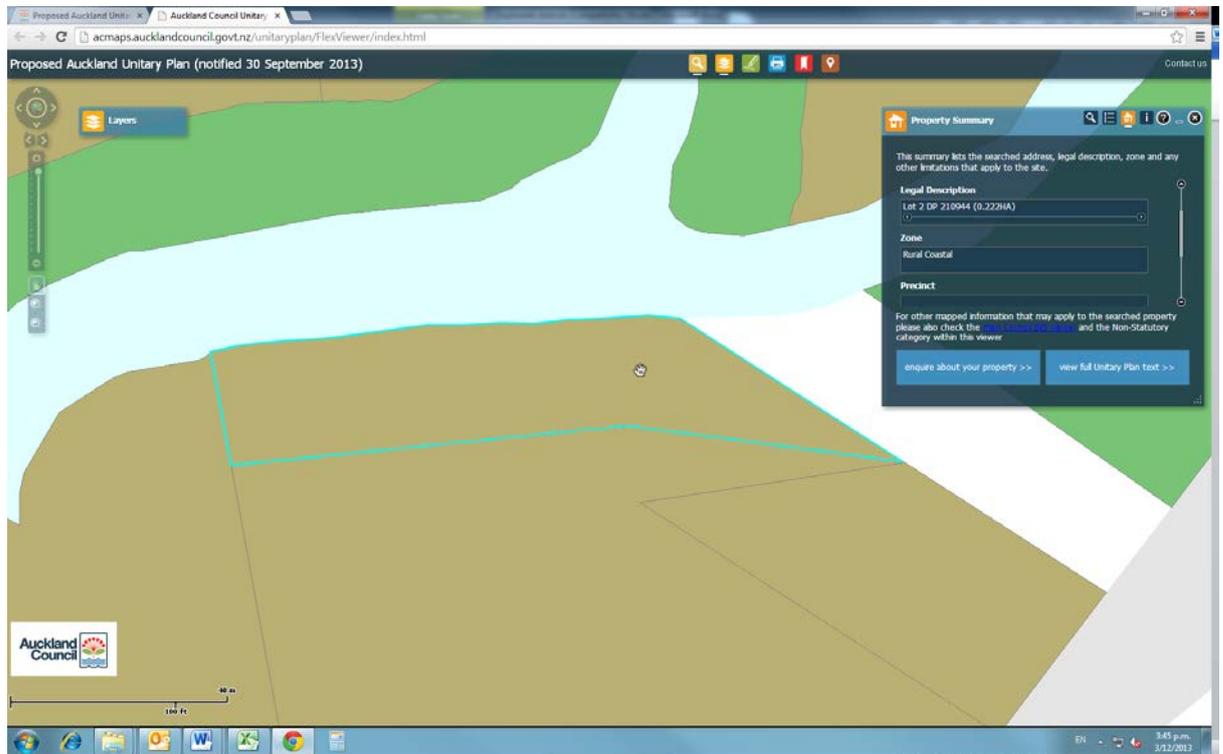

- Address:** Lot 2 DP 210807, Goodall Road, Snells Beach 0920
- Legal Description:** Lot 2 DP 210807 (0.1247HA)
- Zone:** Countryside Living

Below the summary, there is a note: "For other mapped information that may apply to the searched property please also check the [Special Use Zones](#) and the Non-Statutory category within this viewer." At the bottom of the panel, there are two buttons: "enquire about your property >>" and "view full Unitary Plan text >>".

The top of the browser window shows the title "Proposed Auckland Unitary Plan (notified 30 September 2013)" and a "Contact us" link. The Auckland Council logo and a scale bar (0m to 100ft) are visible in the bottom left corner of the map area.
