|-----|----------------|--|--|--|--|---|--|---|
| 529 | Attachment 529 |  |  |  |  | 31.2 Public open space 1  | The Public Open Space Activity Table is potentially misleading as the table could be interpreted in one of two ways: 1. As indicating that permitted activities on a particular reserve will be guided by those activities which are in accordance with a precinct plan, or adopted reserve management plan, conservation management strategy or conservation management plan. This interpretation would suggest that the rules relating to those activities outlined in the activity table will only come into effect where the precinct plan, or adopted reserve management plan, conservation management strategy or conservation management plan allows for that activity (otherwise the activity is restricted discretionary) or 2. As indicating that for all reserves, the rules for each activity are as outlined. | That the intent of the Public Open Space Zone Activity table relating to precinct plans, adopted reserve management plans, conservation management strategies or conservation management plans be clarified as shown 529. |
| 530 | Attachment 530 |  |  |  |  | 78 Merton Road, St Johns. Lot 2 DP 90590                                      | Rezoning allows for compact housing and commercial uses. Due to the size of the site the development can be comprehensively planned to ensure good urban design  | Rezone 78 Merton Road from Public Open Space to Mixed Housing Suburban with Mixed Use on the Merton Road frontage as shown in Attachment 530.   |

| 998B | Attachment 998b |  |  |  |  | New Precinct - South  | Franklin Private Plan Change 36 – Bombay – Motorway and Rural Service Special Zone The decision on Private Plan Change 36 has been released. The plan change needs to be integrated into the Unitary Plan via a new precinct.   | <p>New precinct to be added to implement the outcomes of the decision notice in Attachment 998b.</p> <p>The purpose of the Bombay precinct is to provide a node of motorway and rural service activities to serve motorway users and users that are highly reliant on the motorway and district arterial road network. The Bombay Precinct comprises 8.3ha at the motorway interchange on either side of the motorway immediately south of Mill Road.</p> <p>Sub precinct Area A – Comprises an established motorway services hub of approximately 4.7ha on the western side of the motorway.</p> <p>Sub precinct Area B – Comprises an area of approximately 2.1ha on the eastern side of the motorway for primarily motorway services.</p> <p>Sub precinct Area C – Comprises an area of approximately 1.2ha on the eastern side of the motorway for a mix of motorway and rural service uses.</p> |
| 998C | Attachment 998c |  |  |  |  | New Precinct - North. | <p>New Precinct - North.</p> <p>The Environment Court have recently released an interim decision on Private Plan Change 34 – Milford Intensive Residential Development Overlay Area to the Auckland Council District Plan Operative North Shore Section 2002. This Environment Court decision establishes development outcomes for the Milford town centre that can best be reflected in the Unitary Plan through the creation of a new precinct.</p> | <p>That the attached decision notice subject to any further changes from the Environment Court be used as the basis for the development of a new precinct for the Milford Town Centre.</p>   |
