## **Kaupapapa mo ngā Kuāi 2019 Auckland Council Policy on Dogs 2019**

As at 1 November 2019

Resolution: GB/2019/71

Last Updated: 08 December 2022

Pursuant to [section 10](#) of the [Dog Control Act 1996](#), the Auckland Council adopts this policy on dogs. This policy applies to the district of Auckland.

### **Commencement**

This policy comes into force on 1 November 2019.

### **Objective**

To keep dogs as a positive part of the life of Aucklanders by:

- maintaining opportunities for owners to take their dogs into public places
- adopting measures to minimise the problems caused by dogs
- protecting dogs from harm and ensuring their welfare.

### **How will Auckland Council achieve this Policy Objectives?**

#### **1. Registration and Classification**

Promote dog registration across all of Auckland.

#### **2. Responsible Dog Ownership**

Educate and inform dog owners how to take care of their dogs.

#### **3. Dog Access Principles**

Provide a balanced approach to dog access in council-controlled public places.

#### **4. Monitoring measures of success**

Annually report to the Governing Body (through a public agenda report) and to the national government as required by the Dog Control Act 1996.

### **Interpretation**

**Access way** has the meaning given by [section 315](#) the [Local Government Act 1974](#).

**Beach** means and includes the following:

- (a) the foreshore as defined by [section 2](#) of the [Resource Management Act 1991](#)
- (b) the inter-tidal zone above the mean low water spring
- (c) any adjacent area that can reasonably be considered part of the beach environment including areas of sand, pebbles, shingle, dunes or coastal vegetation and includes the adjacent coastal marine.

**Cemetery** means any land or premises for the burial and/or cremation of the dead and includes a closed cemetery and urupā.

**Control** in relation to a dog, means that the owner is able to obtain an immediate and desired response from the dog.

**Council-controlled public place** means all public places owned or managed by Auckland Council or a substantive council-controlled organisation (as defined in [section 4\(1\)](#) of the [Local Government \(Auckland Council\) Act 2009](#)). This includes land owned or managed by Auckland Transport.

**Footpath** has the meaning given by [section 315](#) of the [Local Government Act 1974](#).

**Foreshore** has the meaning given by [section 2](#) of the Resource Management Act 1991.

**Licence** means a licence, permit or approval to do something under the Dog Management Bylaw 2019 and includes all conditions to which the licence is subject.

**Owner** has the meaning given by [section 2](#) the Dog Control Act 1996.

**Park/Reserve** any land vested in or administered by the council under the provisions of the [Reserves Act 1977](#) or any park, domain or recreational area under the control or ownership of the council.

**Playground** means an outdoor area developed that contains children's play equipment or objects. *Use of a playground* means that the playground is currently being used or occupied by one or more persons.

**Public place** has the meaning given by [section 2](#) of the Dog Control Act 1996, includes:

- (a) any aircraft, hovercraft, ship or ferry or other vessel, train, or vehicle carrying, or available to carry passengers for reward
- (b) any council controlled public place.

**Road** has the meaning given by [section 315](#) of the Local Government Act 1974 except that where a road is adjacent to a park, and the land within the road and park is developed in an integrated way, the common boundary between the road and park will be reduced or extended to:

- (a) a line parallel to the road that follows any physical separation between the road and park (for example a fence or bollards); or
- (b) where no physical separation exists, a line parallel to the road that follows the edge of the road carriageway, footpath or cycle track that is closest to the centre of the park.

**Service lane** has the meaning given by [section 315](#) the Local Government Act 1974.

**Sports surface** includes any area developed or marked out, for example those used for soccer, rugby, or rugby league, artificial turf, sports range, sports park or velodrome. *Use of a sports surface* means that the area is being used for sport events or training for sports events by one or more persons.

**Working Dog** has the meaning given by [section 2](#) of the Dog Control Act 1996.

#### **Related information**

Working dogs include disability assist dogs, dogs kept by state departments such as police dogs and customs dogs, pest control dogs and dogs kept solely or principally as stock or herding dogs. A full list can be found in [section 2](#) of the Dog Control Act 1996.

# Registration and Classification

**All dogs in Auckland, including dangerous and menacing dogs, will be registered with council**

## What will Auckland Council do?

### 1. Provide registration administration services including:

- (a) maintain a record of all dogs registered in Auckland, including those classified as dangerous and menacing
- (b) maintain a record of probationary and disqualified owners
- (c) inform and educate dog owners through the registration process
- (d) set fees to cover costs of essential services to support dog management activities to achieve this policy
- (e) provide incentives to promote responsible dog ownership
- (f) follow up on non-registered dogs and non-compliance with local authority bylaws.

### 2. Provide incentives, information, education and services

### 3. Maintain dog compliance and enforcement best-practice that proactively uses Auckland Council's powers<sup>1</sup> to:

- (a) enforce registration (including through the use of seizure powers) and microchipping of dogs
- (b) enforce the de-sexing of uncontrolled dogs
- (c) seize and hold dogs that are a threat to public safety
- (d) classify certain dogs identified in the Dog Control Act 1996, as dangerous or menacing based on the behaviour of the dogs, or the dogs' breed or type
- (e) ensure compliance with classification requirements.

#### **Council must classify a dog as dangerous where:**

- the owner of the dog has been convicted of an offence because:
  - (a) the dog has attacked a person, stock poultry, domestic animal or protected wildlife, and the court has not made a destruction order on the dog
  - (b) the dog rushed at any person, animal or vehicle in a manner that was likely to cause a vehicle accident or to endanger, injure or kill a person
- the dog is considered a threat to the safety of any person, stock, poultry, domestic animal or protected wildlife, based on sworn evidence of aggressive behaviour
- the owner admits in writing the dog poses a threat to any person, stock, poultry, domestic animal or protected wildlife.

<sup>1</sup> Powers include issuing warnings and instant fines (infringement notices), powers to seize, destroy, or take custody of dogs and to classify dogs, and to classify, prosecute and recover costs from owners.

### **Council must classify a dog as menacing where:**

- it has not been classified as dangerous
- the dog may pose a threat to the safety of any person, stock, poultry, domestic animal or protected wildlife, because of –
  - (a) any observed or reported behaviour of the dog, or
  - (b) any characteristics typically associated with the dog's breed or type, or
  - (c) if the dog belongs wholly or predominantly to one or more of the breeds or types listed in [Schedule 4](#) of the Dog Control Act 1996.

### **What does Auckland Council expect of dog owners?**

1. Register your dog(s)
2. Obtain a licence to keep multiple dogs on a premise (other than working dogs)
3. Owners of dogs classified as dangerous or menacing must meet the expectations under the Dog Control Act 1996 ([section 32](#) and [section 33E](#)) (see below)
4. Owners classified as probationary or disqualified must meet the requirements under the Dog Control Act 1996 ([section 21](#) and [section 25](#)).

### **Classification requirements for dangerous dogs**

- The owner of a dangerous dog must pay 150% of the applicable registration fee. Ownership of the dog cannot change without consent from council.
- The dog must be:
  - (a) neutered within one month of receipt of the classification
  - (b) microchipped within two months of the date of classification
  - (c) muzzled in any public place or private way except when confined in a vehicle or cage
  - (d) kept within a securely fenced portion of the owner's property that provides dog-free access to at least one door of any dwelling on the property
  - (e) controlled on a leash in any public place or private way (except when in a designated dog exercise area).

### **Classification requirements for menacing dogs**

The owner of a dog classified as menacing must ensure the dog is:

- neutered within one month of receipt of the classification
- microchipped within two months of the date of the classification
- muzzled in any public place or private way except when confined in a vehicle or cage

A dog classified as dangerous or menacing maintains its classification no matter where it lives in New Zealand. These requirements apply to dogs classified by any other council and registered with Auckland Council.

*\*dog owners that fail to comply with the above classification requirements, may be subject to a fine under the Dog Control Act 1996.*

### **What is covered by the Dog Management Bylaw 2019?**

1. Owners of more than two dogs (other than working dogs) must hold a valid multiple dog ownership licence
2. Owners of dogs classified as menacing due to the behaviour of the dog, are encouraged to undertake steps towards responsible dog ownership to be eligible to have the classification of their dog(s) reviewed.

*Owners who do not comply with the above are in breach of the Dog Management Bylaw 2019 and may be subject to an infringement notice.*

# Responsible Dog Ownership

*Dog owners will care for their dogs and control them around people to protect wildlife, other animals, property and natural habitats*

## What will Auckland Council do?

1. **Provide services that support promoting responsible dog management, including:**
  - (a) 24-hour dog management service
  - (b) dog education community events and the production of supporting publications
  - (c) advice on dog related problems
  - (d) emergency assistance with dogs involved in accidents or police operations
  - (e) street patrols
  - (f) investigation and resolution of incidents of:
    - i. wandering, barking, fouling, aggressive, and menacing or dangerous dogs
    - ii. impounding and kennel maintenance
    - iii. proceedings against dog owners for offences where all other means have failed
    - iv. livestock concerns
    - v. abandoned dogs.
2. **Proactively promote the welfare of dogs**, as stated in the [Code of Welfare for Dogs, Animal Welfare Act 1999](#). This includes, but not limited to, providing sufficient food, water, shelter and care.
3. **Reduce the danger and nuisance caused by dogs by:**
  - (a) receiving, investigating and resolving dog complaints
  - (b) providing community education to increase public awareness on how to be safe around dogs (target children, families and people working in the community)
  - (c) promoting dog safe communities through encouraging compliance and undertaking enforcement
  - (d) ensuring public safety and comfort, working to change attitudes and behaviours of irresponsible dog owners, and where appropriate penalising irresponsible dog owners.

## What does Auckland Council expect of dog owners?

1. Know and comply with the laws concerning the management of your dog
2. To be responsible for your dog's behaviour
3. Provide proper care and attention to your dog, including providing sufficient food, water, shelter and adequate exercise, as defined by the Animal Welfare Act 1999 and Dog Control Act 1996
4. Consider neutering your dog at an early age
5. Microchip your dog
6. Take all reasonable steps to ensure your dog does not cause a nuisance to any other person. Be particularly vigilant near children and closely supervise interaction
7. Keep your dog under control at all times, this may include putting your dog on a leash, or a shortened leash in areas where your dog is likely to ignore commands (even if it is an off-leash or designated dog exercise area)
8. Respect other people's personal space. Public places are for everyone's enjoyment and not everyone is fond of dogs
9. Ensure your dog cannot leave your property by itself
10. Know when your dog must be on a leash, and always carry a leash in public.

### **What is covered by the Dog Management Bylaw 2019?**

1. When in a public place or premises, dog owners must ensure the immediate removal and disposal of their dog's faeces in a way that does not cause nuisance
2. Dog owners may be required to neuter their dog, if the dog has been found to be uncontrolled more than once in a 12-month period.

*Owners who do not comply with the above are in breach of the Dog Management Bylaw 2019 and may be subject to an infringement notice.*

# Dog Access Principles

*Provide a balanced use of public places for dogs and their owners that is safe for everyone*

## What will Auckland Council do?

- 1. Provide dog access rules that are comprehensive, consistent and easy to understand and comply with the following approaches:**
  - (a) Recognise dog owners as legitimate users of public places and dog access is essential for dog welfare
  - (b) Integrate, where practicable, dog owners and their dogs with other users of public places
  - (c) Provide opportunities for dog owners to take their dog to public places that are accessible, desirable, and provide diversity of experience for both the dog and owner
  - (d) Consider access on a comprehensive region-wide basis, as well as a place-by-place basis
  - (e) Promote safe interaction between dogs and people using public places and private ways to ensure that dogs do not injure, endanger, intimidate or otherwise cause distress to any person, in particular, children and vulnerable adults
  - (f) Manage the conflict between dogs and protected wildlife, stock, poultry, domestic animals, property and natural habitat.
  
- 2. Maintain rules on dog access in public places and private ways (see Schedule 1 and 2)**

The types of dog access rules are:

  - (a) *prohibited area* – a place where dogs are not permitted to be, and other users have absolute priority
  - (b) *on-leash area* – a place shared with other users, where dogs must be on a leash and under control at all times
  - (c) *off-leash area* – a place shared with other users, where dogs may be off a leash but must still be under control at all times
  - (d) *designated dog exercise area* – a place where dog owners are the priority user. Dog owners may take their dogs off a leash (including Dangerous Dogs) but they must be under control at all times
  - (e) *time and season areas* – a place shared with other users, where the dog access rules will be different depending on the time of day during the summer season. This is to minimise the conflict between dogs and other users of the space during peak hours.
  
- 3. Apply default dog access rules to ensure that there is a rule applied to all public places in Auckland**
  - (a) Dogs must be under control on-leash in council-controlled public places unless otherwise stated in Schedule 1 and 2. This includes:
    - i. all formed public roads (including any street, highway, access way, service lane, and any footpath, cycle track, bus stop and berm within the boundaries of the road)
    - ii. private ways
    - iii. council-controlled car parks
    - iv. council-controlled boating areas (including any wharf, jetty, boat ramp, boat marshalling area).

- (b) Dogs are prohibited from any public place not under the control of council where rules have not been specified by the person in charge.

**4. Apply the following time and season definition**

- (a) 10.00am to 5.00pm between the 1 December and 1 March (summer)

**Explanatory Note:**

The relevant authority (local boards or delegated council committee) will decide:

- where a time and season rule applies (location)
- the type of dog access (i.e. prohibited, on-leash, off-leash or designated dog exercise area)
- what the outside of summer season access rule will be.

For example, a local board may decide that a beach is off-leash before 10am, prohibited between 10.00am and 5.00pm and off-leash after 5.00pm.

**Information Note:**

The Policy intends that the outside of summer rule provides more access than the summer season rule that applies in the same area.

**5. Consider the following before making any change to a dog access rule on parks and beaches that would provide more dog access:**

- (a) Identify and assess current and future use of the place and whether there may be any potential conflicts to ensure the change would not result in any significant risk<sup>2</sup> to any:
- i. person (in particular children or vulnerable adults)
  - ii. protected wildlife vulnerable to dogs (in particular ground nesting birds)
  - iii. protected flora vulnerable to dogs (in particular kauri dieback)
  - iv. stock, poultry, or domestic animal
  - v. property (in particular natural habitat and public amenities).

**6. Consider the following before making any change to a dog access rule on parks and beaches that would provide less dog access:**

- (a) Consider whether there are practicable alternative solutions to address the conflict between uses of the place<sup>3</sup>
- (b) Ensure, to the extent that is practicable, that displaced dog owners and their dogs have access to other places or that such access is provided as part of the same decision.

**7. Before making any change or developing a park or beach as a designated dog exercise area, ensure that the –**

- (a) matters contained in section 5 above are satisfied
- (b) area is well-located with vehicular and pedestrian access
- (c) area has clearly visible boundaries. This may be achieved through transition zones, vegetation, topography and fencing. Boundary treatment will vary depending on the risks identified

<sup>2</sup> Significant risk includes, but is not limited to, injury, danger or distress to people or animals stated, or nuisance to people.

<sup>3</sup> Design and management solutions include fencing, different zones in one place, time-share arrangements, and under control on a leash dog access in relation to considering a change to prohibited dog access.

- (d) area is of sufficient size to provide dog owners with adequate space to exercise their dog
- (e) area has sufficient sight lines that enable dog owners to be aware of the presence of other dogs and their owners
- (f) area has adequate signage which clearly specifies the access rule
- (g) provision of dog owner and dog amenities has been considered. Such amenities may include, but are not limited to, seats, bins and bag dispensers for dog faeces, water stations, and water play areas.

**8. Provide accurate dog access information to dog owners via signage and the council website that is comprehensive, easy to understand, and up to date**

**9. Temporary changes to dog access rules**

- (a) From time to time, the council may make temporary changes to dog access rules in Schedule 1 and 2 in relation to:
  - i. leisure and cultural events (including dog friendly events)
  - ii. dog training
  - iii. protect wildlife vulnerable to dogs
  - iv. protect flora vulnerable to dogs
  - v. pest control in any park and/or beach
  - vi. other circumstances of a comparative nature.

**What does Auckland Council expect of dog owners?**

- 1. The owner of any female dog in season must ensure the dog does not enter or remain in any public place or private way unless:
  - (a) the dog is confined in a vehicle or cage for the purposes of transportation
  - (b) the owner of the dog has the permission of the occupier or person controlling the public place and complies with any reasonable conditions imposed.
- 2. Dog owners make reasonable effort to determine and comply with the dog access rule that applies in a park or beach before taking their dog(s) into the area.

**Additional information:**

- Dogs confined in a vehicle or cage are not exempt from prohibited dog access rules. They are exempt from under control on-leash dog access rules.
- With the exception of Department of Conservation land, dog access rules in Schedule 1 and 2 do not apply to any working dog (disability assist and police dogs).

**What is covered by the Dog Management Bylaw 2019?**

- 1. Owners must exercise their dog(s) in locations or ways that are consistent with the dog access rules. This includes ensuring the dog is under control on-leash, off-leash or in a designated dog exercise area as specified.
- 2. Dog owners must ensure that their dog is kept under control in public places or private ways.

*Owners who do not comply with the above are in breach of the Dog Management Bylaw 2019 and may be subject to an infringement notice.*

## Schedule 1 General dog access rules

Dog access rules below apply and take precedence over a general access rule applied to the wider area (Schedule 2). For example, if a park (that contains a playground) allows dogs to be under control on-leash, dogs are prohibited from the playground.

### (1) Playgrounds under the control of the council

Dogs are prohibited on any playground at all times and must be under control on a leash in the vicinity of any playground when in use.

### (2) Sports surfaces under the control of the council

Dogs are prohibited on any sports surface at all times and must be kept under control on a leash in the vicinity of any sports surface when in use, unless the area is specified in Schedule 2.

### (3) Council cemeteries, council camping grounds and council holiday parks

Dogs are prohibited from all other council-controlled cemeteries unless stated in Schedule 2, unless:

- permission is obtained from an authorised council officer, or
- signage indicates dogs are allowed, provided that the person who is accompanying the dog complies with any reasonable conditions imposed by the council in relation to the dog.

Dogs are prohibited from all council-controlled camping grounds and holiday parks unless:

- permission is obtained from an authorised council officer, or
- signage indicates dogs are allowed, provided that the person who is accompanying the dog complies with any reasonable conditions imposed by the council in relation to the dog.

### (4) Default dog access rules

Unless otherwise stated in Schedule 2 the following default rules apply:

- (a) Dogs must be **under control on a leash** in all council-controlled public places where there are no physical restrictions to access (such as fences or other indoor facilities)
- (b) Dogs are **prohibited** in all council-controlled public places with restricted access (such as fenced sports stadiums, libraries) unless:
  - i. permission is obtained from an authorised council officer, or
  - ii. there is official council signage which indicates dogs are permitted
- (c) Dogs are **prohibited** from all other public places not under control of council (such as cafes, shopping malls, school grounds, non-council cemeteries and urupā) unless:
  - i. permission is obtained from the person in charge of the place, or
  - ii. there is signage indicating that dogs are permitted
- (d) Where dog access is permitted under clauses 4(b) or 4(c) dog owners must comply with any reasonable conditions imposed in relation to the dog.

#### **Explanatory Notes**

*Dogs must also be under control on a leash on (refer Dog Access Principles, Policy 4):*

- **all formed public roads** (including any street, highway, access way, service lane, and any footpath, cycle track, bus stop and berm within the boundaries of the road)
- **private ways and council-controlled car parks and boating areas** (including any wharf, jetty, boat ramp, boat marshalling area).

*Areas under co-governance arrangement, such as the Tūpuna Maunga o Tāmaki Makaurau Authority are not council-controlled public places. These areas are subject to clause (c) to (d) above unless they are specifically listed in Schedule 2.*
