1. Introduction

1.1. Explanatory note on Policy Context

- 1.1.1. The Sale and Supply of Alcohol Act 2012 (“the Act”) established a new system of control over the sale and supply of alcohol that is reasonable and that helps to achieve the object of the Act.
- 1.1.2. The object of the Act (section 4) is that:
- (a) the sale, supply, and consumption of alcohol should be undertaken safely and responsibly; and
 - (b) the harm caused by the excessive or inappropriate consumption of alcohol should be minimised.
- 1.1.3. One of the key policy drivers behind the new legislation was an increased focus on local decision-making. In line with this, section 75 of the Act provides local authorities with the power to develop local alcohol policies.
- 1.1.4. This document constitutes Auckland Council’s (“the Council”) Local Alcohol Policy (“the Policy”).

1.2. Explanatory note on Purpose and Scope of the Policy

 - (c) whether further licences (or licences of a particular kind or kinds) should be issued for premises in the district or any stated part of the district
 - (d) maximum trading hours
 - (e) the issue of licences, subject to discretionary conditions.
- 1.2.2. The Policy does not contain policy positions on matters that are:
- (a) not related to licensing; or
 - (b) outside the scope of section 77(1) of the Act.
- 1.2.3. In accordance with the Act, the District Licensing Committee (“DLC”) and the Alcohol Regulatory and Licensing Authority (“ARLA”) must have regard to the Policy when issuing or renewing licences in the Auckland region.

For all applications where the Policy directs the DLC and ARLA to consider a Local Impacts Report the Auckland Council Alcohol Licensing Inspectorate will prepare the Local Impacts Report in accordance with clause 3.1.4.
