The Albert-Eden Grants Programme provides contestable community grants to local communities and organisations.

## Outcomes sought from our community grants programme

Our grants programme will be targeted towards supporting the following outcomes, as outlined in our local board plan:

- Our people are thriving, have a strong sense of connection to Albert Eden and celebrate our differences.
- Our changing neighbourhoods reflect our unique identity and are well designed, creating places that are great to live, work and play.
- Our natural environment is valued and cared for, people feel a connection to our local parks, awa (streams) and coast and are involved in improving for them.
- Our town centres thrive and support a varied business landscape.
- Our communities have the places and activities that enhance their lifestyles. Our community is resilient and supportive, particularly through times of change and challenge, so we can thrive.

## Our priorities for community grants

We welcome grant applications that align with the following priorities:

*These priorities align with our local board plan, to read more about our vision for the Albert-Eden area view our [local board plan](#) available on the Auckland Council website.*

- Support local initiatives that celebrate Māori identity and culture and Te Reo Māori.
- The history, identity and character of our neighbourhoods are celebrated.
- Communities of greatest need are a focus of support.
- People live low carbon lives and know how to take climate action.
- Our parks and open space meet the needs of our changing and growing population.
- Transition our services and facilities to meet the needs of our changing community.
- Resilient communities who have strong local connections, support each other, and can tackle challenges together.
- We celebrate and value diversity, making sure everyone is included.
- The natural environment is cared for and valued.
- Town centres are hubs of business and social life.
- Albert-Eden is a vibrant and exciting destination to visit.

# Higher priority

- Projects and activities that support mental health, physical health and wellbeing and promote smoke-free and healthy housing programmes.
- Projects and activities that promote sustainability, zero-waste and low-carbon messages.

  - We will also consider applications for match funding. Match funding is where grants are provided in exchange for the community's 'match' in volunteer labour, cash or donated goods and services up to the value of 50%. Applications will be prioritised and assessed under the same priorities as other grants.
- Applicants who have considered other sources of funding for their project.
- Projects that are inclusive and support under-represented members of the community.
- Projects/activities with Māori outcomes.

# Lower priorities

We will also consider applications for other services, projects and initiatives; however, they may be considered a lower priority. We have identified the following activities as lower priorities:

- commercial entities and promotion of commercial entities
- ticketed events which have an entry fee
- activities that primarily benefit communities outside the Albert-Eden Local Board area
- activities that primarily benefit a third party (e.g., activity to gain money for an organisation)
- grants to support the purchase of, or maintenance associated with, motor vehicles
- wages or operational costs
- projects and activities in schools unless one of the following can be demonstrated:
  - ❖ benefit to the wider community; or
  - ❖ accessibility to the public out of school hours; or
  - ❖ a plan on how the project will be open to the wider community; or
  - ❖ environmental or climate change initiatives
