Albert-Eden Local Board

Grants Programme 2021/2022

The Albert-Eden Grants Programme provides contestable community grants to local communities and organisations.

Outcomes sought from our community grants programme

Our grants programme will be targeted towards supporting the following outcomes, as outlined in our local board plan:

- Resilient, connected and empowered communities who value diversity
- Neighbourhoods that reflect and value our heritage and unique identity now and into the future
- High-quality natural environments and sustainable lifestyles
- A strong local economy with thriving town centres
- Parks and community facilities meet a wide range of needs
- Safe, easy and sustainable options for moving around

Our priorities for community grants

We welcome grant applications that align to the following priorities:

These priorities align with our local board plan, to read more about our vision for the Albert-Eden area view our [local board plan](#) available on the Auckland Council website.

- People are resilient and can adapt to change.
- People are included, interconnected and celebrate our diversity.
- Māori cultural heritage is valued and protected.
- Neighbourhoods have a strong sense of identity and create a connection to place.
- Our environment is protected and restored
- Our community has sustainable lifestyles and takes climate action.
- Our local economy is growing and provides stable employment options.
- Town centres are attractive destinations.
- Our people can live healthy active lifestyles.
- Our parks and open space meet the needs of growing populations and diverse communities.
- Our community services and buildings provide diverse and inclusive spaces that meet the changing needs of our community.

Higher priority

- Projects and activities that demonstrate smoke-free programmes and promote zero-waste and low carbon messages.
- Match funding
 - We will also consider applications for match funding. Match funding is where grants are provided in exchange for the community's 'match' in volunteer labour, cash or donated goods and services up to the value of 50%. Applications will be prioritised and assessed under the same priorities as other grants.
- Applicants who have considered other sources of funding for their project.
- Projects that are inclusive and support under-represented members of the community.
- During FY 2022 there will be a particular focus on support for initiatives that address community resilience and recovery post-Covid-19.
- Projects/activities with Maori outcomes.

Lower priorities

We will also consider applications for other services, projects and initiatives; however they may be considered a lower priority. We have identified the following activities as lower priorities:

- commercial entities and promotion of commercial entities
- ticketed events
- activities that primarily benefit communities outside the Albert-Eden Local Board area
- activities that primarily benefit a third party (e.g. activity to gain money for an organisation)
- grants to support the purchase of, or maintenance associated with, motor vehicles
- wages or operational costs
- projects and activities in schools unless one of the following can be demonstrated:
 - benefit to the wider community
 - accessibility to the public out of school hours
 - a plan on how the project will be open to the wider community
 - environmental or climate change initiatives
- catering
- fundraising activities for a group or organisation
- gifts /prizes
- grants to support the purchase of assets and/or equipment with limited future use
- initiatives that are eligible and can be funded by central government
- travel and accommodation unless there is strong evidence of benefit to the community

Multi-board funding

We will consider multi-board funding applications on a case-by-case basis. The applicant will need to clearly demonstrate how the proposal benefits people and communities in the Albert-Eden area.

Discretionary funding

In addition to our contestable grants schemes, we also provide discretionary grants toward strategic projects, initiatives or events that align with the priorities of our local grants programme. These grants are allocated through the local board’s work programmes and administered by the relevant departments.

Please contact the local board directly if you have any questions regarding discretionary funding.
