Grants Programme 2021/2022

Devonport Takapuna Local Board

Local Grants Programme 2021/2022

Our Local Grants Programme aims to provide contestable and discretionary community grants to local communities.

Outcomes sought from the local grants programme

Our grants programme will be targeted towards supporting the following outcomes, as outlined in our local board plan:

- Environment and heritage
- Parks, facilities, and open spaces
- Community participation and wellbeing
- Opportunity, prosperity, and growth
- Māori values ngā tikanga a te Māori

Our priorities for grants

The Devonport-Takapuna Local Board welcomes grant applications that align with the following local board plan priorities:

Note: these priorities relate to the local board initiatives as outlined in the local board plan.

- Our natural environment, heritage features and cultural taonga are celebrated, protected, and enhanced.
- Support our sports clubs and recreation facilities
- Our parks, sports fields, community facilities, beaches and open spaces are well maintained to meet the recreation and social needs of our growing population
- Our communities, including mana whenua, feel connected and supported to plan, deliver, and participate in activities and services in their local area
- Our vibrant town centres attract and support new and existing businesses, and give locals and visitors opportunities to work, shop and play
- Our unique Māori history, values and stories are told, celebrated, and embedded into our area

Note: All applicants are expected to outline in their application how their project will contribute to at least one of the outcomes outlined in the Devonport-Takapuna Local Board Plan.

Higher priority for eligibility:

- Community Match Fund (groups who demonstrate that 40% of project costs have already been met, including the approximate value provided by volunteer contribution to projects, events and /or initiatives)
- Projects that demonstrate smokefree and zero waste programmes.
- New and innovative projects/activities to support the delivery of the outcomes and priorities identified in the Local Board grant programme.
- Applicants who have considered other sources of funding for their project.

- Projects that are inclusive and support under-represented members of the community.
- Projects/activities with Maori outcomes.
- Projects which support community resilience and recovery, in response to the COVID-19 crisis.

Lower priorities for eligibility:

- events which clearly benefit the region rather than just the local area, and which can, therefore, apply for regional or central government grants
- event management costs
- groups and/or activities taking place outside the local board area, unless the applicant can clearly demonstrate the benefit to local board members.
- catering
- commercial events or events that promote a brand or company.
- events that raise money for third party fundraising
- grants to support the purchase of assets and/or equipment with limited future use
- applications where the applicant has considerable cash reserves, relative to the amount applied for, unless the applicant can verify that the reserves are required or tagged for a specific project.

Exclusions:

In addition to the eligibility criteria outlined in Auckland Council's overarching Community Grants Policy, the Devonport-Takapuna Local Board will not fund:

- wages and salaries for ongoing administration with the exception of fees for professional and specialised services.
- retrospective costs, unless this is necessary as a condition of the grant, or the local board is satisfied that there are mitigating circumstances.
- groups which have failed to meet accountability obligations from previous Council grants will not be funded except in exceptional circumstance, and/or by stipulating that completing accountability is a condition of grant payment.
- gifts/prizes
- initiatives that are eligible and can be funded by central government.
- applicants are generally ineligible to apply for the Devonport-Takapuna Local Board contestable grants if they have had two successful grant applications within the current financial year.
- applications towards alcohol or liquor licenses.
- projects and activities in schools and churches unless a plan on how the project will be open to the wider community or benefit to the wider community can be demonstrated.
- permitting fees.
- travel and accommodation unless there is strong evidence of benefit to the community.
- applications that require commitment to ongoing funding or financial support.

Groups with no formal legal structure

Groups with no formal legal structure may apply for grants of up to \$1,000 through the local board grants programme; however, the board expects to see evidence from the group indicating community support for the activity and its objectives.
