

Waiheke Local Board

Grants Programme 2021/2022

Waiheke Local Board – Local Grants Programme 2021/2022

Our Local Grants Programme aims to provide contestable and discretionary community grants to local communities.

Outcomes sought from the local grants programme

The Waiheke Local Board recognises the vital role that community groups and organisations play in developing diverse, strong, inclusive, connected and sustainable communities.

Our grants programme will be targeted towards supporting the priorities in our Local Board Plan – such as environmental, cultural, arts, community development, recreational and heritage initiatives, and supporting our youth.

We aim to assist groups to provide activities, projects, programmes, initiatives, and events that make a positive contribution within our local board area.

Our priorities for grants

The Waiheke Local Board welcomes grant applications that align with the following local board plan priorities:

- young people – supporting youth-centred initiatives that build engagement, resiliency and transitions to adulthood
- community elders – meeting the needs of the ageing population
- the environment – restoring and protecting our natural environment
- culture and arts – creating a sense of identity and cohesion that reflects the island's identity
- social cohesion – ensuring a resilient and connected community
- recreation and sport – helping our communities lead active and healthy lifestyles
- heritage – protection and conservation.

Higher Priorities for grants

- collaboration with other community organisations
- gaining other sources of funding for a project or event, from businesses or community
- local procurement

Lower Priorities for Local and Quick Response Grants

We will also consider applications for other services, projects, events and activities.

However, these may be considered a lower priority.

The Waiheke Local Board has identified the following activities as lower priorities:

- commercial entities and promotion of commercial entities
- ticketed events

- activities that primarily benefit communities outside the Waiheke Local Board area
- activities that primarily benefit a third party (e.g. activity to gain money for an organisation)
- grants to support that purchase of or maintenance associated with motor vehicles
- wages or operational costs
- individuals with projects on private land

In addition to the **eligibility criteria** outlined the Community Grants Policy, the Waiheke Local Board will not fund:

- Exclusion One: alcohol
- Exclusion Two: applications for Liquor licenses

Who can apply?

Applications are accepted for work on private land or public land.

In addition to the higher priorities for grants, the environmental grant round will prioritise material costs associated with environmental projects (e.g. plants, fencing material, and equipment) and for projects which enhance sites with high biodiversity values.
