Expression of interest approach for Local Events Development Fund

A separate annual expression of interest approach for the Local Events Development Fund is available for events which enable partnerships with established and emerging community-led events. The fund supports these events to become a regular and celebrated part of the Waitemata event calendar.

This grant will support and develop events which:

- are locally specific and environmentally responsible
- enable partnership with established and emerging community-led events to support their development to their full potential
- enable events to be professionally run while remaining community-focused
- enable events to be financially sustainable and to become a regular and celebrated part of the Waitemata event calendar
- are smoke-free, particularly those targeting children, young people and their families
- are working towards zero waste
- ensure that local events cater for our young people, providing a range of free and safe opportunities for them to attend and perform
- are of a certain scale with minimum grants of \$5,000 (at the local board's discretion).

If your expression of interest is unsupported you may still be eligible to apply for local/quick response grants.

Multi-board Grants

The Waitemata Local Board welcomes multi-board grant applications. However, the activity or initiative will need to clearly benefit the Waitemata community.
