### Accommodation Grant

Community organisations can apply for accommodation grants to cover rental and/or lease payments, Auckland Council rates and regular, ongoing venue hire costs.

**Accommodation grant criteria**

- Applicants are a community organisation, as outlined in the community grants policy.
- Accommodation costs applied for are for the following financial year starting 1 July.
- Evidence of the accommodation costs is provided.
- The organisation has been operating for a full financial year prior to the application date and must provide its last full year financial statements and/or audited accounts.
- The accommodation is located in and benefits the Waitematā Local Board area.
If the applicant is requesting a grant for a venue that has an Auckland Council community lease or community occupancy agreement, the council’s approval for the sub-lease or hireage needs to be verified by the applicant.

Expression of interest approach for Local Events Development Fund

A separate annual expression of interest approach for the Local Events Development Fund is available for events which enable partnerships with established and emerging community-led events. The fund supports these events to become a regular and celebrated part of the Waitematā event calendar.

This grant will support and develop events which:
1. are locally specific and environmentally responsible
2. enable partnership with established and emerging community-led events to support their development to their full potential
3. enable events to be professionally run while remaining community-focused
4. enable events to be financially sustainable and to become a regular and celebrated part of the Waitematā event calendar
5. are smoke-free, particularly those targeting children, young people and their families
6. are working towards zero waste
7. ensure that local events cater for our young people, providing a range of free and safe opportunities for them to attend and perform
8. are of a certain scale with minimum grants of $5,000 (at the local board’s discretion).

If your expression of interest is unsupported you may still be eligible to apply for local/quick response grants.
