

Application for remission of the accommodation provider targeted property rates

Introduction

Under Auckland Council's 2018/2019 policy for remission of the accommodation provider targeted property rates (APTR), APTR rates may be remitted if the applicant meets one of the criteria set out in the Council's Rates Remission and Postponement Policy and detailed below. This will include providing evidence of contractual commitments that meet the criteria.

For remissions granted under criterion 1 of the scheme:

- 100 per cent of the APTR for the qualifying rating units in 2018-2019, with the proportion of rates remitted declining each year in equal steps until 2027-2028, when 10 per cent of the APTR will be remitted. This remission scheme will expire on 30 June 2028.
- The amount of remission will be reduced on a proportional basis where the applicant is able to exit, terminate or renegotiate the contract during the rating year.

For remissions granted under criterion 2 of this scheme:

- A proportion of the Accommodation provider targeted rate calculated as follows:

$$\frac{\text{Number of rooms or units under contract X number days under contract}}{\text{Total number of rooms or units in motel or hotel X 365}}$$
