

Appendix X – List of names and contact details required under Clause 14(2)(a)

This appendix sets out the information required by Clause 11(2)(p) of the OiC, which requires “a list of the names and contact details of all persons the consent authority is required to notify under clause 14(2)(a)”

For clarity, clause 14(2)(a) states:

“The consent authority must, within 5 working days,—

(a) notify the following persons that an application has been lodged and advise them where they can find a copy of the application:

(i) all relevant Māori entities:

(ii) the Minister for the Environment and every other Minister of the Crown responsible for a portfolio to which the flood resilience works relate:

(iii) the Director-General of Conservation:

(iv) any network utility operator that undertakes a network utility operation in, on, or under the land where the flood resilience works are to be carried out:

(v) the owners and occupiers of land on which the flood resilience works are to be carried out or of land whose boundary adjoins the land on which the flood resilience works are to be carried out:

(vi) any requiring authority that holds a designation over the land on which the flood resilience works are to be carried out:

(vii) if the flood resilience works are to be carried out within the CMA, Maritime New Zealand and any holder of, and any applicant for, customary marine title of any area of the CMA:

(viii) any other person the consent authority considers appropriate, if the consent authority is satisfied that the person has an interest in the application that is greater than the interest of the general public;”
