

Memorandum

1 June 2021

To: Commissioners
Robert Scott, Juliane Chetham, Gavin Lister and Councillor Chris Darby

From: Eryn Shields
Team Leader, Regional, North, West and Islands Planning, Plans and Places

Subject: Proposed Plan Change 5 (Whenuapai Plan Change) – Variation 1 Update

1. The purpose of this Memorandum is to update the Panel on two errors contained in the Memorandum sent on 25 May 2021.
2. The Appendix to the Memorandum listed the names of those from whom feedback was received. Unfortunately three items of feedback were not listed, one from Cabra Developments Limited, one from Mr Wesley Gerber, and one from Mr Dave Allen. I attach an amended list as Appendix 1.
3. Paragraph 3 of the Memorandum states that the feedback received will be posted on the Council website. Rather than this, the matters raised will be summarised and a short notation about how Council has responded to the feedback will be included as an Appendix to the forthcoming section 32 report for the Variation. Please note that some who supplied feedback have requested that the Council treat their feedback as confidential, and so in those circumstances their feedback will not be included in the summary.
4. My apologies for these errors.

Nāku noa, nā

Eryn Shields
