Prabhjot Singh 59 Divide Loop	To gain initial feedback to the proposal. To facilitate this a letter and concept plan were sent at the end of May 2019.	Generally supportive, however, will there be any damages to our property.
James Jack 61 Divide Loop	To gain initial feedback to the proposal. To facilitate this a letter and concept plan were sent at the end of May 2019.	Not supportive of the proposal. In particular: <ul style="list-style-type: none"> • How close will these houses be to the back of my property? • Concerned about sunlight impact to our back yard/ garden • Will the Palm trees be kept? • Nancy Wake should not be able to be cut through/ street is very narrow.
Gelmar Palmes	To gain initial feedback to the proposal. To facilitate this a letter and concept plan were sent at the end of May 2019.	Generally supportive, however, we are at the house just directly behind the proposed site. We are keen to know more about the plans especially since we are interested in the first lot just next to us.
Sandra Maclean Lady Elizabeth Hospital	To gain initial feedback to the proposal. To facilitate this a letter and concept plan were sent at the end of May 2019.	Unsurprised by the intentions to redevelop the site and interested to be kept up to date with progress.
Daniel Van Tiel and Ashleigh Walker 1/154 Manuroa Road, Takanini	To gain initial feedback to the proposal. To facilitate this a letter and concept plan were sent at the end of May 2019.	We are concerned for the security of our homes and homes around us during construction with the increase of trades people and sub-contractors in the area.
Jagjit Kaur 156a Manuroa Road, Takanini	To gain initial feedback to the proposal. To facilitate this a letter and concept plan were sent at the end of May 2019.	Do not support the redevelopment of the site would suggestion a community park rather than covering up all of the site with housing.
Graeme and Anna Goldring 160 Manuroa Road, Takanini	To gain initial feedback to the proposal. To facilitate this a letter and concept plan were sent at the end of May 2019.	Would like to meet with Classic Developments to discuss the proposal. Our initial concerns/ questions are: <ul style="list-style-type: none"> • Volume of traffic flow Porchester/Manuroa Road (major concern) • We would like a green belt between your property and our back boundary fence • We would prefer single story homes as was stated on the For Sale billboard last year • We are built on peat and from our experience over the years there will be extra vibrations experienced • Noise during construction
