Dear Andrew,

Re: TE TUPU NGATAHI SUPPORTING GROWTH - NORTH AUCKLAND, NOTICES OF REQUIREMENT

This letter is to advise that Auckland Transport gives notice of requirement for nine new designations and Waka Kotahi New Zealand Transport Agency (Waka Kotahi) gives notice of requirement for three new designations and an alteration to existing designations 6761, 6760, 6759 and 6751 together as part of the proposed Te Tupu Ngātahi Supporting Growth - North Projects in North Auckland.

The lodgement documents have been prepared together as one package and are in four volumes as follows:

- Volume 1: Form 18 for each of the thirteen notices
- Volume 2: Assessment of Effects on the Environment
- Volume 3: General Arrangement Layout Plans
- Volume 4: Supporting Technical Assessments.

These have been emailed to you via file transfer links.

Please contact me in the first instance if there are any queries.

Yours sincerely

Kathleen Bunting
