Te Ara Rangatu o Te Iwi o Ngāti Te Ata Waiohua 021 208 5606 teararangatu15@gmail.com editht71@hotmail.com	A CVA has been prepared and forms part of the proposed plan change request. There are a number of recommendations that have been included in the proposed precinct and the applicants remain committed to working with iwi as they develop the land.
AUCKLAND COUNCIL			
Local Boards – Franklin	Inform Local Board of the project and obtain any feedback or queries they may have on the proposals.		A presentation was given to the full Local board on 8 December 2020. This presentation re-introduced the proposal following on from earlier work with the Franklin District Council. There has been a history of previous presentations and discussions regarding the rezoning of the site prior to the AUP process. Other discussions with Bill Cashmore and Sharlene Druyven were held in 2019.
Plans and Places Team	Confirm process, information requirements and gain initial feedback to the proposal.		Meeting held with Council officers introducing them to the proposal on 4 th March 2021. The Plans and Places team shared the Planning Scoping Study findings and placed emphasis on infrastructure delivery and soils.
WATERCARE			
Ilze Gotelli – Head of Major Developments Andre Stuart - Manager South western upgrade	Discuss the infrastructure and servicing for the land.		Fraser Thomas has compiled in chronological order summaries of consultation with Watercare to date. The applicant is committed to working closely with Watercare over the coming months leading into the hearing.
WAIUKU COLLEGE			
Tom Vanderlaan - Principal	To discuss the rezoning of the land and inclusion of the strip of land of the school.		The project has been discussed with the College for over a year, relating primarily to traffic matters and the rezoning of the land. The College has provided written support for the proposal, refer Appendix C .
