2273.107	Aaron Grey	Split Standards H5.6.11, H5.6.12, H5.6.14 H5.6.18 into two standards each – the first for up to three dwellings (or have this apply to dwellings in general) and the second for any other development (ideally only including additional requirements). Avoid creating standards for four or more dwellings per site that are more onerous than standards for up to three dwellings per site. For the outlook space and outdoor living space standards, specify that the additional requirements only apply for the fourth dwelling onwards (i.e. they do not apply to any three of the proposed dwellings).
