338.13	Urban Planning Consultants	Remedy drafting errors by amending the standards H5.6.14(1)(a) relating to outdoor living space. Amend subclause (1) of the standard - there should not be a reference to 'ground level' or balconies, roof terraces or similar. These are covered in later sub clauses. Also amend as current standard also causes confusion if full 20m ² is required or a lesser standard for ground-level units, which is not the intention. Refer to full submission for details. 338.23	Urban Planning Consultants	Delete the circular reference to the zone standards under H5.8.2(2) clause (a). 338.24	Urban Planning Consultants	Amend/delete standard H5.8.2(2) clause (ab)(vi) [providing adequate breaks in long continuous buildings to minimise the appearance of length] as this is better addressed through a Building Separation standard. 338.29	Urban Planning Consultants	Amend H5.8.2(2)(i) as unclear why the assessment criteria relating to transport improvements are different for four or more dwellings and integrated development. With respect to the more detailed criteria under (l) the requirement under (iv) to have front berms is not appropriate as in many urban environments berms may not currently exist, or there may not be room to achieve this outcome.
