Open your arms and pull them to your embrace. Tāmaki Makaurau, you are a city where valued business and enterprise thrives; let your good name traverse the world.

How this 10-year Budget 2021-2031 is arranged

This document is an excerpt of Volume 3 of the Auckland Council 10-year Budget 2021-2031.

The complete annual budget has three separate volumes. To find out information on a particular area of the council's work or services, you will need to look in the appropriate volume.

Public consultation ran during February and March 2021. This involved around 61 feedback events across the Auckland region. Both written and digital feedback were also encouraged and approximately 20,000 pieces of feedback were received. For a summary of the key decisions please visit aucklandcouncil.co.nz.

This plan was then adopted by the Governing Body on 29 June 2021.

Finding your way around the volumes:

Volume 1: An overview of our 10-year Budget

1.1 Local board overview

The governing body (Mayor and 20 councillors)

- Focus on big picture and Auckland-wide issues
- Develop Auckland-wide strategies and plans
- Decision making of regulatory activities such as bylaws, licencing, inspection and animal management

Shared Governance Model

21 local boards (Chairperson and local board members)

- Represent local communities
- Provide local leadership
- Make decisions on local issues and activities
- Allocate local discretionary funding such as community grants and events
- Input to regional strategies and plans
- Advocate to the Governing Body and CCOs on behalf of local communities

Introduction

Auckland Council has a unique model of local government in New Zealand, comprising the Governing Body (made up of the mayor and 20 ward councillors) and 21 local boards. The Governing Body focuses on Auckland-wide issues while local boards are responsible for decision making on local issues, activities and services and providing input into regional strategies, policies and plans. Together, this is a shared governance model where decisions can be made both regionally and locally.

Local board decision-making comes from three sources:

- 1. **Legislation** local boards are responsible for activities such as community engagement, preparing local board plans, agreeing and monitoring local board agreements and communicating local views to the Governing Body on regional strategies, policies, plans and bylaws.
- 2. Allocation of decision-making for non-regulatory activities the Governing Body has allocated decisionmaking responsibility for certain non-regulatory activities to local boards. Local boards make decisions on, and have oversight of, a broad range of local activities such as local parks, libraries, events, recreational facilities and community activities. Please see Volume 2, Section 3.5 for the allocation of decision-making responsibilities for non-regulatory activities.
- 3. **Delegation of decision-making responsibilities –** the Governing Body may delegate responsibility for some regulatory activities to local boards and Auckland Transport may delegate some decision-making responsibilities to local boards. Please see Volume 2, Section 3.5 for the list of delegated responsibilities to local boards.

1.2 Developing local priorities

Local board plans are strategic documents that set the direction for local boards and also inform the 10-year budget (long-term plan). Reflecting community priorities and preferences, the plans are developed every three years to guide local board activity, funding and investment decisions. They also influence local board input into regional strategies and plans and provide a basis for developing local board agreements.

Every year, a local board agreement is developed between the Governing Body and each local board. It agrees the delivery and funding of local activities and intended levels of service for that area, for the year. The agreement takes into account local board plan priorities but must also reflect Governing Body decisions such as Auckland-wide priorities, budget constraints and trade-offs across all council activities.

Each local board also agrees annual work programmes in line with their local board agreement. These are operational and capital work programmes for activities in which they have decision-making responsibilities. They contain specific initiatives and projects in greater detail than appears in a local board agreement. Local board work programmes play a critical role in delivering on the needs of communities and are informed by local board plans.

Local board agreements for 2021/2022 have been agreed between each local board and the Governing Body and are set out in Section 2.

Diagram 1: The relationship between Auckland Council plans and agreements.

Local activities

Local boards have decision making responsibility for a range of activities, as set out in the following list.

- Local Community Services
- Local Planning and Development
- Local Environmental Management
- Local Governance.

Local board agreements outline for each activity area the key initiatives and funding for the 2021/2022 financial year.

1.3 Funding

Auckland Council has a shared governance model for making decisions on local activities. Under the Local Board Funding Policy, funding is allocated to local boards to deliver local services, through the following methods:

- 1. Asset based services the Governing Body allocates funds to deliver local activities based on decisions about region-wide service levels. This includes allocation of funds for local asset based services, such as building a new swimming pool or library.
- 2. Locally driven initiatives an allocation is based on a formula applied to each local board, with the exception of Aotea / Great Barrier and Waiheke Local Boards who agree funding requirements with the Governing Body on an annual basis.
- 3. **Governance services** an allocation is based on the number of elected members and associated administrative costs for each local board.

The total planned expenditure for local activities across all 21 local boards over the 2021-2031 financial years are shown in following table below. The budgets for each local board are listed within the individual local board agreements in this volume.

Message from the Chair

Tēnā koutou

I would like to thank you for your continued interest in regional and local issues facing Auckland. Your feedback has helped shape regional priorities and local projects planned for delivery in 2021/22. This agreement covers the first financial year after the adoption of the Kaipātiki Local Board Plan 2020 and the first of Council's new 10-year Budget 2021-2031.

The COVID-19 pandemic is significantly impacting available budget for council. This is why we asked for your views on investigating a locally targeted rate to help fund local projects. Your feedback was mixed, so as a result we have decided not to proceed with investigating the targeted rate. The Kaipātiki Local Board remains committed to the key initiatives that you helped prioritise in our Local Board Plan, and we are continuing to advocate for additional regional budget to fund them.

The redevelopment of the Northcote Town Centre, Te Ara Awataha greenway project, rebuilding the community facility at 17 Lauderdale Road, and Birkenhead War Memorial Park upgrade remain priorities. We are also continuing to deliver free family and community events, provide new playgrounds, upgrade bush tracks and install shade sails over playgrounds.

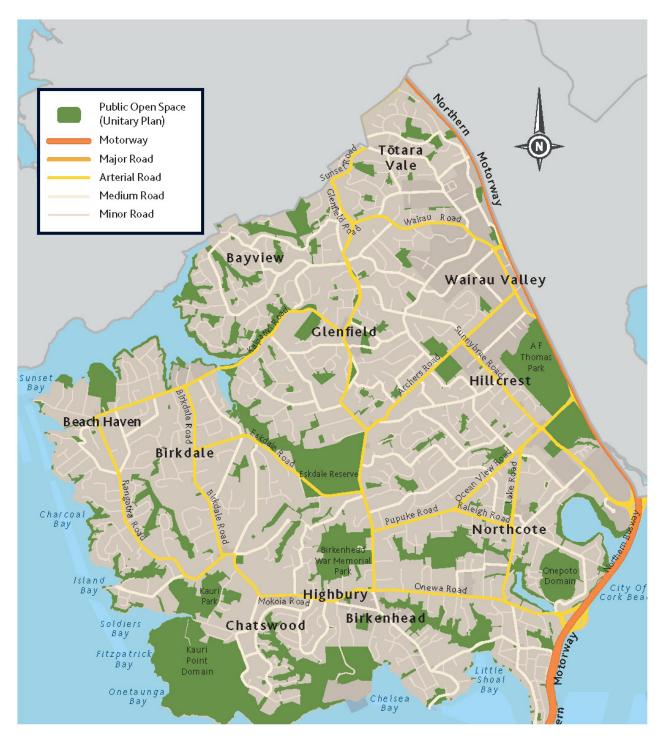

We are committed to developing more meaningful relationships with Māori and we will be taking direction from Māori about how this should happen.

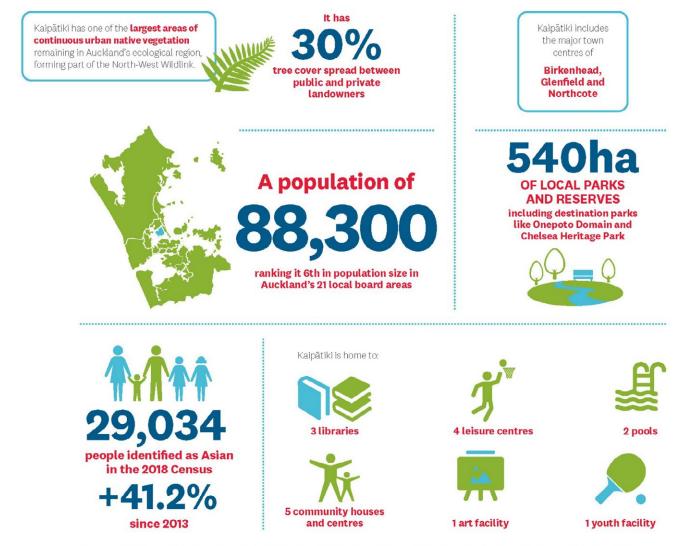

Our natural environment is clearly the most beloved aspect of living in Kaipātiki. We have a strong focus on our environmental programmes, volunteer groups and investment into our parks, open spaces and local groups. We have commissioned some key plans and research that will help to guide future decisions in areas you've told us are important to you. These include a low carbon action plan, an updated Connections Network Plan, research on Wairau Valley businesses, and our Local Parks Management Plan.

John Gillon Chairperson, Kaipātiki Local Board

Local Board Plan outcomes

The Kaipātiki Local Board Plan 2020 sets out the aspirations the local board has for the area. The outcomes in the Kaipātiki Local Board Plan are:

Whakaotinga tahi: Te Whai Wāhitanga me te Oranga

Outcome 1: Belonging and wellbeing

Our people are involved in the community, socially connected to one another, and supported to be active, creative, resilient and healthy.

Whakaotinga rua: Te Taiao

Outcome 2: Environment

Our natural environment is protected and restored for future generations to enjoy.

Whakaotinga toru: Ngā Wāhi me ngā Takiwā

Outcome 3: Places and spaces

Our built environment is high quality, vibrant, wellmaintained, reflects the culture and heritage of Kaipātiki, and meets our people's needs.

The local board agreement outlined in this document reflects how we plan to support these outcomes through agreed activities in the 2021/2022 financial year. In addition, each local board carries out responsibilities delegated by the Governing Body in accordance with the delegated power, and with the general priorities and preferences in the local board plan.

Working with Māori

Delivering on Auckland Council's commitment to Māori at a local level is a priority for local boards. The council is committed to meeting its responsibilities under Te Tiriti o Waitangi / the Treaty of Waitangi and its broader statutory obligations to Māori.

The Kaipātiki Local Board Plan outlines a commitment to develop more meaningful relationships with Māori. This will result in our plans and projects better reflecting the needs and aspirations of Māori. In particular, we're committed to undertaking the following:

- building the relationship between the local board and Māori through hui and other events
- strengthening communication between the local board and the Uruamo Maranga Ake Marae Committee to progress the development of the Beach Haven Marae to completion in a timely manner
- ensuring that Māori identity, culture and language is consistently incorporated into programmes, services and facility developments
- supporting community support and networking programmes that respond to the needs of our Māori communities.

Whakaotinga whā: Te Ikiiki me ngā Tūhononga

Outcome 4: Transport and connections

Our people have many transport options and can easily and safely move around and find their way.

Whakaotinga rima: Te Āheinga me te Taurikura

Outcome 5: Opportunity and prosperity

Our people can buy local, live local and work local.

Kaipātiki Local Board Agreement 2021/2022

Priorities by activity area

Auckland Council's 2021/2022 funding priorities for local activities which contribute to key community outcomes in the Kaipātiki Local Board area are set out below under each local activity.

Local Community Services

Local community services is a broad activity area, which includes:

- supporting local arts, culture, events and sport and recreation
- providing grants and partnering with local organisations to deliver community services
- maintaining facilities, including local parks, libraries and halls.

Our annual budget to deliver these activities includes operating costs of \$17.4 million and capital investment of \$9.7 million.

The key initiatives we have planned for 2021/2022 include:

- developing more meaningful relationships with Māori by supporting local activities that increase cultural knowledge, mātuaranga Māori, and kaupapa Māori practices in the local board area
- providing funding to arts, community, culture, and sports groups through service agreements or through our contestable grants rounds to support the services and events they deliver
- working with the council and community groups to address the flooding and seawater inundation at Little Shoal Bay
- renewing, maintaining, and repairing our local buildings, parks and open spaces, play spaces, sportsfields, and coastal assets
- rebuilding the community building at 17 Lauderdale Road, Birkdale, with sustainability in mind under the Green Building Framework Sustainable Asset Standards
- finalising key parks documents, including the Kaipātiki Local Park Management Plan and the Kaipātiki Connections Network Plan
- providing funding and staff support for our park volunteers working towards the goal of a pest free Kaipātiki, and other restoration initiatives
- topping up regional service levels for libraries, and local community venues
- upgrading our bush tracks that go through Kauri forest to minimise the spread of Kauri dieback.

The local community services and key initiatives outlined above contribute towards achieving the following outcomes in the Kaipātiki Local Board Plan:

- Outcome 1: Te whai wāhitanga me te oranga | Belonging and wellbeing
- Outcome 2: Te taiao | Environment
- Outcome 3: Ngā wāhi me ngā takiwā | Places and spaces
- Outcome 4: Te Ikiiki me ngā tūhononga |Transport and connections

¹ Some level of service statements have been combined to reflect the council's move toward new and integrated ways of delivering services. All level of service and performance measures from previous years are included. There is no intended change to the level of service provided to the community.

² Baselines and targets for these performance measures will be developed during the next few years.

Local Planning and Development

This group of activities covers improvements to town centres, the local street environment as well as local environment and heritage protection. These activities also include working with business and community associations to improve local economic development and employment initiatives.

Our annual operating budget to deliver these activities is \$348,000.

The key initiatives we have planned for 2021/2022 include:

- continuing support for the Birkenhead and Northcote Business Improvement District areas
- working with businesses in the Wairau Valley to better understand their issues and opportunities and identify appropriate actions for future consideration.
- supporting the delivery of the Young Enterprise Scheme in our local board area.

The local planning and development activity, including the key initiatives outlined above contribute towards achieving the following outcomes in the Kaipātiki Local Board Plan:

- Outcome 3: Ngā wāhi me ngā takiwā | Places and spaces
- Outcome 5: Te āheinga me te taurikura | Opportunity and prosperity.

Local Environmental Management

Local boards work in partnership with local communities and iwi to deliver projects and programmes to improve local environments. Our focus is on indigenous biodiversity, healthy waterways and sustainable living.

These activities include stream restoration, waste minimisation programmes, supporting environmental volunteers and partnering with schools to provide a range of environmental initiatives.

Our annual operating budget to deliver these activities is \$431,000.

The key initiatives we have planned for 2021/2022 include:

- continuing to support Pest Free Kaipātiki Restoration Society with its community-led conservation work and 'greening of Kaipātiki' strategy
- developing a local Climate Action Plan that provides a roadmap for Kaipātiki to become a low carbon community
- expanding the industrial pollution prevention programme across Kaipātiki, with a focus on improving water quality throughout the catchment of the Wairau Estuary alongside the Devonport-Takapuna Local Board
- funding the scientific stream monitoring programme across the local board area
- supporting the operations of the Kaipātiki Project, including delivery of environmental programmes, and volunteer support
- supporting the Para Kore Zero Waste Northcote action plan that educates and empowers communities and businesses in Northcote to reduce the amount of waste going to landfill.

The local environmental management activity and key initiatives outlined above contribute towards achieving the following outcome in the Kaipātiki Local Board Plan:

• Outcome 2: Te taiao | Environment.

¹ The level of service statement has been amended to include the growing focus on addressing climate change. There is no intended change to the level of service provided to the community.

² New local environmental services performance measures have been introduced to track the delivery performance of local projects that contribute towards specific environmental outcomes in the local board plans.

Local Governance

Activities in this group support our 21 local boards to engage with and represent their communities, and make decisions on local activities. This support includes providing strategic advice, leadership of the preparation of local board plans, support in developing local board agreements, community engagement including relationships with mana whenua and Māori communities, and democracy and administrative support.

The measures for this group of activities are covered under the Regional Governance group of activities in the Long-term Plan 2021-2031 which determine participation with Auckland Council decision-making in general. This includes local decision-making. There are no changes to the measures or targets for 2021/2022.

Our annual operating budget to deliver these activities is \$1.1 million.

Funding Impact Statement

This prospective funding impact statement has been prepared to meet the requirements of Section 21(5) of the Local Government (Auckland Council) Act 2009. It covers the year from 1 July 2021 to 30 June 2022 and outlines the council's sources of funding for local activities in this local board area and our plan to apply them.

Appendix A: Advocacy initiatives

A key role of the local board is to advocate for initiatives that the local board may not have decision-making responsibilities or funding for in this 10-year Budget, but recognise the value it will add to the local community.

Key advocacy areas for this local board include:

Initiative	Description	Advocating to
Kaipātiki Local Board One Local Initiative (OLI) - Birkenhead War Memorial Park Redevelopment	 request that the funding for the local board's One Local Initiative be brought forward to year three of the 10-year Budget 2021-2031, so that planning of this important project can commence and those impacted have some certainty around delivery request that greater flexibility is given to the approx. \$8million of funding in the 10-year Budget 2021-2031 - currently earmarked for the renewal component of Birkenhead War Memorial Masterplan to include delivery of new or enhanced developments within this current budget allocation, in particular the aquatic play area (including splash pad) note that by bringing forward the board's One Local Initiative to be delivered in a staged approach, and by enabling flexibility of the current budget, the project is likely to be able to proceed at a reduced scope that will meet the short-medium term needs and will offer significant savings to council. 	Governing Body
Northern Community Recycling Centre	 support the proposed inclusion of budget towards new and existing community recycling sites in the 10-year Budget 2021-2031 request that funding is allocated towards the establishment of a northern Resource Recovery Park to provide the "hub" in a community-led hub-and-spoke model of resource recycling in the northern local board areas request that funding is allocated to provide a Resource Recovery Centre in Kaipātiki Local Board area, in line with local board feedback into the Resource Recovery Network Strategy [resolution number KAI/2020/38]. 	Governing Body
Plan Change Request - Review Schedule 10	• request that funding is included in year one of the 10-year Budget 2021-2031 to progress a Plan Change to review Schedule 10 of the Auckland Unitary Plan to increase tree protection across Auckland, process the backlog of notable tree applications, and support the Ngahere Strategy and tree coverage across the Auckland region.	Governing Body
Wairau Stream Catchment Water Quality	 support the proposed extension and increase of the Water Quality Targeted Rate request that Water Quality Targeted Rate funding is prioritised to improve water quality and pollution prevention in the Wairau Stream Catchment that crosses the Kaipātiki and Devonport- Takapuna Local Board areas, including for gross pollutant traps request that Water Quality Targeted Rate funding is prioritised for pollution compliance and monitoring of businesses identified through the local board's Industrial Pollution Prevention Programme (IPPP) in the Wairau Stream catchment area note that the Kaipātiki and Devonport-Takapuna Local Boards are currently working together with Healthy Waters to improve water quality in the Wairau Stream Catchment, but that it is difficult to progress within existing local board budgets. 	Governing Body
Kauri Dieback Prevention	 support the proposed extension of the Natural Environment Targeted Rate request the continuation of investment into upgrading, rerouting and reopening tracks, and installing shoe hygiene stations in the 	Governing Body

Initiative	Description	Advocating to
	Kaipātiki area to prevent or mitigate the spread of kauri dieback disease.	
Northcote Development	 advocate for the continuation of investment into the Northcote Development, including the delivery of the Te Ara Awataha greenway and park developments, a new community building, maximum public open space within the town centre, retention of mature trees, inclusion of cultural and heritage aspects and public art, walking and cycling links, and public transport connections, to support current and future residents of the Northcote area advocate for the retention of the "Mitchell Building" (site of the current Northcote Library) as part of the Northcote Development. 	Governing Body
Local Board Transport Capital Fund	 support the full reinstatement of the local board's capital transport funding to the levels in place prior to the emergency budget 2020, to ensure that local boards can reflect local community concerns and requests for changes and enhancements in the road corridor. 	Auckland Transport
New Regional Park	 advocate for Chelsea Estate Heritage Park - either on its own or together with Kauri Point Centennial Park and Chatswood Reserve - to become a new regional park in recognition of the unique heritage, history, ecology and general significance of Chelsea Estate Heritage park and the wider headland, as per our feedback into the Draft 2021 Regional Parks Management Plan request that staff continue to work with the Kaipātiki Local Board to progress the regional park concept for the Governing Body's consideration request that the Governing Body keeps in mind the possibility of a new regional park, incorporating Chelsea Estate Heritage Park, when considering regional park funding in the 10-year Budget 2021-2031. 	Governing Body
Local Board Funding Policy	• request that a new factor is added to the Local Board Funding Policy related to the amount of tree coverage on public land in the local board area. This is because extra investment is required to (1) eradicate plant and animal pests within bush areas; (2) maintain trees, remove non-native trees, and plant new native trees in bush areas (3) build and maintain infrastructure to support public access to and through bush areas (tracks, boardwalks, bridges, drainage, signage, etc).	Governing Body
Local Board Renewals Capex Budget	 advocate for an increase in Kaipātiki Local Board capex renewal budget to ensure that all community facility assets that have been assessed as category 4 and 5 can be funded for repair or replacement in a timely manner note that we expect to only be able to afford to renew approximately 80% of category 4 and 5 assets in the coming three-year period. 	Governing Body
Coastal Assets, Little Shoal Bay	 support continued investment into renewing coastal assets around the Kaipātiki Local Board coastline request that staff continue to work with the Kaipātiki Local Board on options to prevent flooding and seawater inundation at Little Shoal Bay Reserve, to achieve the key outcomes for the reserve and surrounds adopted by the local board [resolution number KT/2020/190], including to protect the flat open grass field area and carparking areas, and to protect and enhance the freshwater ecosystem in the western side of the reserve. 	Governing Body
