## **12**      **Notice of Motion - Chair Julie Fairey - Road naming in the Puketāpapa Local Board area**

Resolution number PKTPP/2020/157

**MOVED by Chairperson J Fairey, seconded by Member J Turner:**

**That the Puketāpapa Local Board:**

- a) support the current Auckland Council Road Naming Guidelines (August 2019);**
- b) support in particular Principle 3 which seeks that all proposed road names demonstrate a linkage to their locality with aspects such as historical, ancestral or cultural links, particular local environmental features or an existing thematic identity in the area;**
- c) support in particular Principle 3.2 which outlines that collaboration and engagement with mana whenua and the local community is expected to help road naming applicants develop new road names according to local themes;**
- d) note that the board expects to see evidence of any developer's efforts to undertake community engagement in accordance with Principle 3.2, when considering new road names;**
- e) support in particular Principle 4 which is that the use of Māori names is actively encouraged. We are committed to reflecting Māori identity in the landscape;**
- f) support the Advice Note which states that local boards expect to see evidence of engagement with mana whenua;**

**g) note that the Puketāpapa Local Board area has a unique character which the board, through its local board plan, seeks to acknowledge and celebrate. Road naming is one mechanism that can contribute to this and the board anticipates road naming proposals for our area will include options that are:**

**i) in Te Reo Māori; and/or**

**ii) a reflection of our ethnic diversity, to assist with addressing under-representation; and/or**

**iii) have a clear historical connection to the area.**
