Project: Girls Coaching Program

Location:	Waitakere Ranges Local Board Glen Eden Intermediate School		
Summary:	We are keen to run a girls coaching program at Glen Eden Intermediate School to help more girls get access to basketball. We find running girls only groups is very important to helping support more girls into the sport. This will include coaching sessions and support as well as fun games in a supportive environment. We have found girls only coaching sessions help more girls to start in the sport and help them stay active in the sport long term. We would also link them to local playing opportunities. Outside of this in school coaching project we may look at setting up a local hub for boys and girls but that is separate project to this application.		
Expertise:	We have many years experience at running community basketball programs		
Dates:	01/12/2023 - 31/07/2024		
People reached:	100		
% of participants from Local Board	100%		
Promotion:	On our facebook page		

Community benefits

Identified community outcomes:

- More Girls getting skills and confidence in sport
- More Girls getting into good physical activity habits
- Meeting the need and demand for varied programs including sport in the community
- Helping provide free access to provide equitable access to support to more girls in the community

Alignment with local board priorities:

Waitākere Ranges

- Support a breadth of projects and activities to ensure funding allocations reflect our wide range of communities, including Māori, Pasifika, and other social and ethnic groups

Collaborating organisation/individual	Role

Demographics

Māori outcomes: • *No Māori outcomes identified*

Accessible to people with disabilities Yes - Everyone is able to access the project.

Healthy environment approach: Encouraging active lifestyles including movement or fitness programmes
We help girls get access to support in girls only coaching programs to help them get the skills they need to play the sport and encourage them to stay active.

Does your project support any genders, ages or ethnicities specifically?

We are not targeting any one ethnicity but the sport is very popular with a diverse range of communities including young Maori, Pasifika, and Asian.

The project will be focusing on girls aged 5 to 19.

Financial information

Amount requested: **\$4400.00**

Requesting grant for: Girls Coaching Costs and Affiliation Fees

If part funded, how would you make up the difference:

We can scale the project but would need \$1,500 to start the project.

Cost of participation: No there is no charge for the in school coaching. If a hub was set up e.g. after school there would be a charge and different expenses to set that up but that is not part of this application and would be a separate project.

LG2419-102

Karekare Ratepayers and Residents Trust

Legal status:	Charitable Trust	Activity focus:	Environment
----------------------	------------------	------------------------	-------------

Project: Karekare Landcare 2024

Location:	Karekare		
Summary:	<p>Together as a community of landowners, residents, volunteers, Iwi and organisations, we hope to protect the unique natural character and biodiversity of Karekare and its surrounding catchments. Through sufficient resourcing and provision of advice relating to biodiversity protection and biosecurity control, we aspire to significantly reduce the number of predators and continue to encourage local environmental projects (baiting & trapping, weeding bees, sea-bird & bat protection, beach clean-ups, stream monitoring and local food growing projects) through regular communication and various community events.</p> <p>We are looking for funding to support these projects for the coming year.</p>		
Expertise:	<p>Over 20 years ago, following Operation Forest Save which decimated the possums in the Waitakeres, a couple of local projects, the La Trobe Mainland Island (Peter and Jean King) and the Lone Kauri Forest Restoration group (Mike Nixon and others), have been controlling pest animals in the regenerating native forest.</p> <p>These groups have since integrated into Karekare Landcare which is now steered by a committee of experienced volunteers, mostly with 20 years experience, including considerable help from ranger Simon Stoddart and the biosecurity team from Arataki. Since mid-2021, Karekare Landcare is also benefiting from the help of a part-time project coordinator whose work supports the administration, communication, strategic planning, volunteer operations, community engagement and education for all our projects.</p>		
Dates:	01/12/2023 - 30/11/2024		
People reached:	250 (Karekare Residents and bach owners)		
% of participants from Local Board	100%		
Promotion:	<p>We will acknowledge the local board contribution through all our communications: Karekare Landcare Facebook page (https://www.facebook.com/karekarelandcare) Karekare Community Facebook (www.facebook.com/groups/1453865358173046) Karekare Landcare Website https://www.karekarelandcare.org/ Karekare Billboard and Karekare Landcare newsletters</p> <p>Emails, Phone calls, face-to face</p> <p>The logo will be displayed at the bottom of our website and newsletters.</p>		

Every time we give out a trap, we will inform landowners the traps have been purchased with a local board grant.
--

Environmental benefits: The environmental benefits of Karekare Landcare mahi are multiple:

Significant reduction of the number of predators

Control of environmental weeds

Continued Regeneration of the native forest

Stable and breeding populations of sea and native birds

A resilient network of Neighborhoods that work together to enhance Waitakere Biodiversity # Encourage local food growing and overall a healthier living and more sustainable relationship with our environment

Community benefits

Identified community outcomes:

Karekare community outreach is aiming at increasing community education and involvement from the little ones (at Lone Kauri School) to the older generation.

Our work is giving them greater purpose, responsibility and a very real connection with nature.

Most of our volunteers are passionate locals who want to play their part in environmental conservation and in being the Kaitiaki of Karekare, their Tūrangawaewae.

By organising regular face-to-face local events (weeding bees, trapping workshops, one-on-one consultation with the project coordinator, a trapping competition, dotterel monitoring, gardening workshop...) and using available digital tools (website, social media, newsletter...), Karekare Landcare is very much present and part of the the local community life.

Alignment with local board priorities:

Waitākere Ranges

- Support and deliver projects, programmes and activities that address stream and coastal erosion, water quality, weed and animal pest management, environmental programmes, education, and biodiversity (rural or urban)

Collaborating organisation/individual	Role

LG2419-106

SCOW Incorporated

Legal status:	Incorporated Society	Activity focus:	Environment
----------------------	----------------------	------------------------	-------------

Project: Karanga-a-Hapè-Cornwallis

Location:	Karanga-a-Hapè-Cornwallis (47 Cornwallis Road Auckland 0603)		
Summary:	Our project is to continue and extend (a) reduction of pests that predate birdlife and (b) enhance native invertebrates and reptiles, such as the elegant gecko.		
Expertise:	SCOW has been undertaking these activities since at last 2017. Over that time, the level of pests has been reduced and the extent of trapping extends from Mill May through to Kaitaraki (an area of about 352 ha)		
Dates:	08/10/2023 - 31/03/2024		
People reached:	Several thousand people enjoy Karanga-a-Hape to enjoy swimming, picnicing and fishing on the wharf. This experience is enhanced by more fauna		
% of participants from Local Board	60%		
Promotion:	We have promoted the work being undertaken through Facebook and Cornwallis website as well as at seminars. We have acknowledged the Council through logos on all of our presentations, including acknowledged on our website and Cornwallis facebook.		

Environmental benefits: Refer to earlier examples of environmental work undertaken for several years to enhance bird and other fauna.

Community benefits

Identified community outcomes:

Refer to earlier description - in particular the ability to sustain and grow native flora and fauna to the benefit of the wider community.

Alignment with local board priorities:

Waitākere Ranges

- Support and deliver projects, programmes and activities that address stream and coastal erosion, water quality, weed and animal pest management, environmental programmes, education, and biodiversity (rural or urban)

Collaborating organisation/individual	Role

------------------------------------	--

Demographics

Māori outcomes:	<ul style="list-style-type: none"> <i>Māori involvement in the design/concept</i> <p>Gai Bishop (Nga Puhi, Ngati Porou) is a Trustee of SCOW which oversees Pest Free Cornwallis. Gai offers us support and advice as kaiwhakahaere on our engagement with Te Ao Māori in very general terms.</p> <p>We consider that the project contributed to enhanced environment values, or kaitiakitanga, as a key goal. This is an integral part of Mātauranga and the kawa and tikanga cornerstones of that knowledge. We believe that the consequences of our pest free endeavours have benefited to the natural environment and its native inhabitant species. This also applies to Māori and everyone residing, visiting or connected to Karangahape - Cornwallis</p>
Accessible to people with disabilities	Yes - Cornwallis is unique in that the beach can be enjoyed by people with disabilities. In particular the ease of vehicle access to the beach is unique to engage with sea, birds and flora.
Healthy environment approach:	<p>Encouraging active lifestyles including movement or fitness programmes, Encourage the reduction of carbon emissions or increase community resilience to the impacts of climate change*</p> <p>If the amenity values of Cornwallis (and its surrounds) are enhanced by more native birds and fauna, it may encourage more people to embrace a healthy choices and enjoyment. This is particularly important for Cornwallis since other recreational areas have been closed temporarily or permanently.</p>

Does your project support any genders, ages or ethnicities specifically?

The amenity values of the area from Kaitarakihi to Mill Bay and the peninsula provide a wide scope of recreation, which is enhanced by deeper engagement with birds in particular (with invertebrates too but likely)

Financial information

Amount requested:	\$5000.00
Requesting grant for:	We are seeking to obtain funding for the period from late November through to March. This would dovetail to funding (if made available in 2024-25) programme.
If part funded, how would you make up the difference:	<p>We have sufficient funding from the Council of \$10,000 of which about \$5,000 has been spent. We had budgeted for pest activity in Spring - early summer (i.e., up to Christmas). The \$5,000 we seek in this application would enable us to maintain trapping in the first calendar quarter of 2024. If only on part of our project can be funded, we would scale down trapping in the central areas that typically show up in 'heat' maps and reduce areas of trapping elsewhere.</p>
Cost of participation:	No

LG2419-112

All Nations Health Fitness & Wellbeing Trust

Legal status:	Charitable Trust	Activity focus:	Sport and recreation
----------------------	------------------	------------------------	----------------------

Project: Summer is coming health challenge

Location:	7 Catherine Street, Henderson		
Summary:	Our largest and most important expense is the rental on our community fitness space. We offer a number of health & fitness programmes from our gym to numerous sporting codes, schools, sports clubs as well as individuals. We host fitness challenges throughout the year and this is only possible with the use of the gym space. The objective of this application is for rental expenses.		
Expertise:	We have completed a number of these challenges over the past few years. We have dedicated trainers that take our members through these programmes from start to end. Our instructors are trained to run these programmes and for exercise will help members with technique and advice around movement.		
Dates:	01/11/2023 - 23/12/2023		
People reached:	30 + participants plus family members, friends that are encouraged by members activities		
% of participants from Local Board	100%		
Promotion:	Via marketing posters, inhouse gym promotion, on our Rampage Hub facebook page and website and social media pages.		

Community benefits

Identified community outcomes:

There are a number of benefits to this programme including increase or maintenance of current fitness levels, endurance and physical strength. A physical outlet to help with mental wellbeing. Emotional wellbeing by being connected to a community and group with a common goal. Mental focus and dedication as everyone commits to the entirety of the programme.

Alignment with local board priorities:

Waitākere Ranges

- Support a breadth of projects and activities to ensure funding allocations reflect our wide range of communities, including Māori, Pasifika, and other social and ethnic groups

Collaborating organisation/individual	Role

Demographics

Māori outcomes:

- *Māori focus - tikanga (practices), mātauranga (knowledge), reo (language), Māori participation - Māori priority group, target group, high representation or Māori staff delivering*

Some of the trainers are Maori and will be driving the program with maori tikanga and reo to both Maori and non-maori members. Many of the members of our challenges are Maori & Pacific Islander so the target group is represented in this community. Maori staff will also be delivering the program

Accessible to people with disabilities

Yes - Exercise and movement will be adapted to disabilities of the members.

Healthy environment approach:

Promote smoke-free messages, Healthy options for food and drink, including water as the first choice, Encouraging active lifestyles including movement or fitness programmes, Encourage the reduction of carbon emissions or increase community resilience to the impacts of climate change*

Our challenge is all about health and fitness so the content and work our members will be completing is around good nutrition and what we can be eating more or less of to help keep us healthy. We will be running classes to encourage fitness and movement and will encourage increasing step count which will help the reduction of carbon emissions.

Does your project support any genders, ages or ethnicities specifically?

All ages, genders and ethnicities are welcome.

Financial information

Amount requested: **\$16250.00**

Requesting grant for: We are requesting funding to assist with rental costs of the gymnasium where we will be holding our fitness classes for the challenge as well as group meetings and discussions about nutrition and mental health.

If part funded, how would you make up the difference:

LG2419-113

Youthline Auckland Charitable Trust

Legal status:	Charitable Trust	Activity focus:	Community
----------------------	------------------	------------------------	-----------

Project: Supporting Waitakere Ranges youth through Youthline Helpline counselling

Location:	Youthline House, 13 Maidstone St, Grey Lynn, Auckland	
Summary:	<p>We are requesting \$36,000 as a contribution to the Waitakere Ranges share of \$3,775 of the annual budgeted costs of \$121,000 for training and supervision our volunteer counsellors who staff the Youthline Helpline in support of the young people of the area</p> <p>We train over 100 volunteer counsellors each year and they are essential to being able to operate the Helpline. New volunteers undertake a 4-stage stage comprehensive training programme in their first year that covers fast track (personal development and basic youth and community counselling training), a 2-day Marae Noho wānanga at Te Paea Marae, transition training and ongoing supervision.</p> <p>Supervision is an essential process whereby volunteer counsellors receive regular (monthly) support and mentoring from more experienced supervisors.</p>	
Expertise:	<p>Youthline has been supporting young people in need for over 53 years and we have considerable expertise in providing this support.</p> <p>We have built up significant knowledge and experience over this period such that we are recognised as the premier support service for young people in need. Our 120 Helpline volunteer counsellors receive intensive training and close supervision.</p> <p>Kantar Public research (2023) shows that over 67% of young people in New Zealand are aware of Youthline. Last year we managed over 145,000 in-coming contacts to our Helpline and worked with 14,000 individual young people.</p> <p>Research shows Youthline's strengths include having trained volunteers who can help and with young people supporting other young people.</p>	
Dates:	01/12/2023 - 30/09/2024	
People reached:	1600	
% of participants from Local Board	100%	
Promotion:	<p>The Youthline Helpline is promoted and marketed across a wide range of media including the Youthline website, Facebook page and various promotional activities. We have an extensive communications contact plan in place. In partnership with the Attitude Charitable Trust the Youthline Helpline and support services and programmes are promoted at schools across Auckland.</p> <p>We will publicly acknowledge the local board's contribution in the Youthline Annual Report, on our website, in social media and on our promotional material.</p>	

Community benefits

Identified community outcomes:

For many of the young people we work with the first contact point is through the Helpline and our volunteer counsellors. Many of the young people are vulnerable – disadvantaged, disillusioned, disengaged - and their situation is exacerbated by the lingering COVID shadow and the extreme weather events of early 2023.

Our Helpline is staffed by 120 volunteers who processed 145,927 contacts from young people in need last year. They are only able to do this vital work because they receive comprehensive training and support.

Mental health remains a key issue for young people with 3 in 4 young people agreeing mental health is a problem in the most recent research (Kantar Public 2023). Last year 1,576 young people from Waitakere Ranges needed our help, with COVID producing greater stress and distress for our rangatahi.

We have to be able to provide the best possible support for young people in need and we do this best when we have a well trained team of volunteers and support staff.

The community benefits when we are able to support young people through their period of distress and emerge with a positive plan for the future and can help build a resilient community.

Alignment with local board priorities:

Waitākere Ranges

- Make small grants to local groups for projects or actions which will have a positive impact on community resilience

Collaborating organisation/individual	Role
We collaborate with a wide range of government departments and social service agencies in supporting local rangatahi	

Demographics

Māori outcomes:

- *Māori participation - Māori priority group, target group, high representation or Māori staff delivering*

Youthline provides support services to young people in need across the ethnic spectrum. Last year 16% of calls and texts to our Helpline presented as Māori, slightly ahead of the 14% of young people aged 15-24 residing in the Auckland area who identify as Māori. 25% of our mentoring and face-to-face counselling clients are Māori and 11% of our staff identify as Māori.

All of our staff and volunteers are trained on the Treaty of Waitangi. Māori models of health such as Te Whare Tapa Wha inform our work with targets groups of rangatahi Māori. Youthline has a Māori working group (Nga Whetu Poutama) to guide Youthline to increase the organisation’s cultural capacity and inform the work that we do.

Accessible to people with disabilities

Yes - All our services and facilities are accessible to people with disabilities.

Healthy environment approach:

Promote smoke-free messages
 Youthline Auckland supports the Auckland Council’s Smokefree Policy and its commitment to working proactively with others towards making Auckland smokefree by 2025. We have a smoke free policy in place and can offer support, advice and referrals to young people who wish to give up smoking. We ensure that the young people we work with are aware of our support for making Auckland smokefree and how we can help them if necessary.

Does your project support any genders, ages or ethnicities specifically?

As a “with youth, for youth, by youth” organisation Youthline is committed to supporting all rangatahi with a focus on ages 12-24 years. We have a strong commitment to diversity recognising that our minority communities, including Maori, Pasifika and Rainbow youth, disproportionately experience mental health issues and are less likely to seek help.

A strategic priority is to hold an equity focus on Maori, Pasifika, Rainbow, Asian, Migrant and Refugee youth and young people with disabilities.

We are advocates for youth focus, youth voice and youth choice and providing leadership to ensure young people are prioritised and invested in. Recognising and addressing inequities and upholding safety is very important to us.

Financial information

Amount requested: **\$3000.00**

Requesting grant for: We are requesting \$3,000 as a contribution to the Waitakere Ranges share of \$3,775 of the annual budgeted costs of \$121,000 for training and providing clinical supervision for our volunteer counsellors who staff the Youthline Helpline in support of the young people of the area and their whanau.

If part funded, how would you make up the difference:

We would not amend our plan as such. Rather we would continue being extremely proactive in applying for funding from a wide range of funders. The total cost of the Youthline Helpline will be \$1.576m this year. We receive funding of \$226,000 from Oranga Tamariki and MSD contracts meaning we have to fundraise over \$1.350m each and every year.

Since the arrival of COVID many of our funders have a reduced capacity to provide funding. At a time when young people need our service more than ever we are hugely dependent on those organisations who can provide funding.

Cost of participation: No

Total expenditure	Total income	Other grants approved	Applicant contribution
\$	\$	\$	\$0.00

WE have no funding in place or pending for these services in Waitakere Ranges	\$\$	

Donated materials	Amount
NA	\$\$

Total number of volunteers	Total number of volunteer hours
100	11365

Additional information to support the application:	We are very appreciative of the previous support of the local board and would be very grateful if the board was able to contribute this time round to the cost of training and clinical supervision of our essential volunteer Helpline counsellors who continue to support high numbers of young people experiencing mental distress and hardship of an unprecedented nature. It is vital that we are able to keep the Helpline fully operational. The training and supervision for our volunteer counsellors is an absolute priority.

2023/2024 Waitākere Ranges Local Grants, Round One

LG2419-114

Henderson Valley Residents Association

Legal status:	Incorporated Society	Activity focus:	Community
----------------------	----------------------	------------------------	-----------

Project: Procure a Community Generator for use during power outages

Location:	80 Grassmere Road, Henderson Valley
------------------	-------------------------------------

Summary:	Purchase a community generator to provide water, septic, internet connection during a prolonged power outage similar to what we saw during the early 2023 weather events and other high weather events every other year. We a powerful generator to supply services to our community. The HVRA will supply petrol and a log book for use & monitoring and will maintain the generator with testing during the year and covering any maintenance costs.	
Expertise:	Henderson Valley Residents Association have a community led emergency guidebook and first aid cabinet to support our Community during high weather events	
Dates:	01/12/2023 - 29/03/2024	
People reached:	1500	
% of participants from Local Board	100%	
Promotion:	Facebook, Henderson Valley Residents Association minutes and AGM	

Community benefits

Identified community outcomes:

Positive engagement during times of prolonged power outages to support community resilience.
Support peoples mental health to have a place they can go to charge up a phone or use toilet facilities (given most of us are on septic which doesn't work during a power outage)

Alignment with local board priorities:

Waitākere Ranges

- Make small grants to local groups for projects or actions which will have a positive impact on community resilience

Collaborating organisation/individual	Role

Demographics

Māori outcomes:

- *No Māori outcomes identified*

Accessible to people with disabilities

Yes - Community can access essential power, internet, water and septic during a prolonged weather event with no power using the generator

Healthy environment approach:

Encourage the reduction of carbon emissions or increase community resilience to the impacts of climate change*

Increase community resilience to the impacts of climate change

Does your project support any genders, ages or ethnicities specifically?

All of our Community benefit from this investment

Financial information

Amount requested: **\$3999.00**

Requesting grant for: Procure the generator. HVRA will cover costs for petrol and a log book and any future maintenance needs

If part funded, how would you make up the difference:

Yes, we'd have to fundraise for the balance.

Cost of participation: no

Total expenditure	Total income	Other grants approved	Applicant contribution
\$	\$	\$	\$0.00

Expenditure item	Amount	Amount requested from Local Board
Generator purchase	\$3999.00	\$3999.00

Income description	Amount
	\$\$

Other funding sources	Amount	Current Status
	\$\$	

Donated materials	Amount
	\$\$

Total number of volunteers	Total number of volunteer hours

2023/2024 Waitākere Ranges Local Grants, Round One

LG2419-116

Matuku Reserve Trust

Legal status:	Charitable Trust	Activity focus:	Environment
----------------------	------------------	------------------------	-------------

Project: Supporting mahi aroha te taiao - volunteering for nature

Location:	Matuku Link - 111 Bethells Road		
Summary:	As almost all of our work is being done by volunteers during our weekly working bees as well as our monthly Sunday Weeding Days, we're applying for funds to keep them safe, engaged and happy. High-viz vests, radios, a gps unit, a defibrillator for the former, (e)bike parking (as we've got an increasing number reducing their carbon footprint this way), coffee, tea, biscuits and other consumables and twice a year a bbq to thank them is money well spend for all the work they do. In total we have a lot more volunteers - this just covers the people and hours who come to our working bees.		
Expertise:	Our project has been going since 2016 spearheaded by trustees John Sumich - who started Ark in the Park 25 years ago, John Staniland - who fundraised to secure the neighbouring 120 ha Forest & Bird Reserve 40 years ago and has looked after it ever since, and project manager Annalily van den Broeke - chair of Waitakere Branch Forest & Bird, on the Ark Management Committee and with over 20 years of experience working in not-for-profits with volunteers. This is supported by Derek March, Jenny MacDonald, Colleen Pilcher and Mark Bellingham who started 30+ years ago the Waitakere Rivercare Group. Matuku Link hosts their plant nursery on our site.		
Dates:	01/02/2024 - 01/02/2030		
People reached:	150		
% of participants from Local Board	90%		
Promotion:	On our Facebook pages, our Instagram channel, our website, in our monthly e-newsletter and there is already a plaque on our wall :).		

Environmental benefits: Wetland restoration - with only 9% wetlands left and Matuku Link at the head of the environmentally significant (and Auckland's largest) Te Henga wetland this is vital habitat for threatened species like matuku (bittern), puweto (spotless crane), the reintroduced pateke (brown teal) as well as pekapeka touroa (longtailed bats), tuna (eels), weta, inanga and many forest birds who use the wetland as a safe corridor or the edges as feeding ground.

Community benefits

Identified community outcomes:

The volunteers are our community, they are our project. To keep them happy and healthy is to keep the community connect to te taiao - nature, as well as to each other. The volunteers grow our plants, plant them, look after them. They keep the pests at bay, do the outcome surveys, assist our educator. Our local schools are part of our community, they benefit by visiting us. The trappers and baiters around us are our community - they come to Matuku Link for training, workshops, to get bait

and lure. The volunteers are our community - they come here to give back, to feel connected, to enjoy nature. The Waitakere River Valley community benefits from our free, ecosourced plants for their riparian restorations and an increase in birdlife for them to enjoy. During floods the restored wetlands slow down water and filter debris, a benefit for all structures (roads, bridges, houses) and habitats (wetland, river, estuary, lake).

Alignment with local board priorities:

Waitākere Ranges

- Support and deliver projects, programmes and activities that address stream and coastal erosion, water quality, weed and animal pest management, environmental programmes, education, and biodiversity (rural or urban)

Collaborating organisation/individual	Role
Waitakere Rivercare Group	their nursery is on our site, they provide plant knowledge, expertise and plants for the wetland restoration
Forest & Bird Waitakere	their volunteers volunteer here
Matuku Reserve - neighbouring F&B owned property	their trappers access Matuku Reserve from Matuku Link - and get their gear, bait, lure at ML
Auckland Zoo	their staff support us with wetland bird (puweto) monitoring, do our rodent monitoring, help with drone surveys (for pateke and possibly willows)
Ark in the Park	their "Ark Bufferzone" [participants get their bait and lure from our freezers (rabbit meat) and we host their trapping workshops
Auckland Council	several staff members have assisted in different parts of our project - from volunteer days helping to plant to species advice, connections to other organisations or AC departments
Te Henga Tuturiwhatu - Te Henga dotterel minders	Local group looking after endangered native New Zealand dotterels - they come and
Whitebait Connection	they have trained our volunteers on water quality testing
Waitakere Valley Emergency Response Group	as we're opposite their 'hub' of the firestation, which has no parking, they use our parking & our barn for shelter, water, gathering in case of emergencies
Birdcare Aotearoa	some of their wetland birds are released here
Habitat te Henga	local private landowners giving fortnightly access to their property for our contracted trapper

Demographics

Māori outcomes:

- *Māori involvement in the design/concept, Māori focus - tikanga (practices), mātauranga (knowledge), reo (language)*

Our whole project is based around being kaitiaki for our taiao (nature), we're restoring the repo (wetland) for our taonga, our endangered species. Our

local mana whenua Te Kawerau a Maki has been involved in the design of our education project Te Kaupapa rohe Koreporepo, blessed our bridge and have supplied us with a letter of support for all we do at Matuku Link looking after the environment. One of our volunteers runs weekly Te Reo classes at Matuku Link for volunteers and staff, we use te reo maori for as many of our flora and fauna as possible. We start our larger sessions with a karakia and videoed welcome by Robin Taua Gordon from Te Kawerau a Maki.

Accessible to people with disabilities

Yes - Our Sustainable Wetland Education Centre is accessible and has an accessible bathroom. The 1 km route to the pateke viewing platform is accessible for people using wheelchairs, push chairs, buggies etc and gives people the opportunity to enjoy nature - along a pond, wetland edge, forest and streams.

Healthy environment approach:

Promote smoke-free messages, Include waste minimisation (zero waste) messages, Healthy options for food and drink, including water as the first choice, Encouraging active lifestyles including movement or fitness programmes, Encourage the reduction of carbon emissions or increase community resilience to the impacts of climate change*

Our site is a non-smoke environment. We have a strict reuse-reduce-recycle approach - from separate bins to our messaging to visiting schools (encouraging plastic-free lunches and refillable water bottles). Visitors can borrow a water bottle and we have easy taps for refill. Our bike racks will encourage that active lifestyle as well as reducing carbon emissions. We are aiming for a rechargeable location for ebikes as well as electric cars - the latter is outside this proposal though!

Does your project support any genders, ages or ethnicities specifically?

Our overall Matuku Link project will benefit everyone - however this Mahi Aroha application focusses on supporting our volunteers, many of retirement age when heart issues are more common: hence the request for funding towards a defibrillator. The simple fact there is coffee, tea, vegan/gf biscuits & other food at our working bees and events are vital for our younger volunteers and is a matter of manaakitanga for us. A number of young adults have used volunteering at our project as a stepping stone to gain job experience, knowledge and a good reference for employers.

Financial information

Amount requested: **\$7593.00**

Requesting grant for: Our whole Matuku Link project, including education, restoration, protection and inspiration runs on a yearly budget of \$200,000. This consists of wages for the project manager (\$50k), educator (\$65k) and volunteer coordinator (\$35k), plus all materials, equipment and supplies. That is funded by a myriad of funders. No other funding covers the cost for this "Mahi aroha - supporting volunteers" application. Matuku Link will provide volunteer coordinator time for 50 weekly working bees, 12 monthly working bees and two volunteer thank-you events, this application is to support volunteer safety.

If part funded, how would you make up the difference:

We'd go for the radios (1675) - really necessary in our terrain, the ones we used to borrow are unavailable and the cheaper versions we had do not cover the whole 5 hectares, including the wetland areas. Then the AED (\$2964) as most our volunteers are retirement age and heart issues spike in that age range. The high viz (\$406) are really useful when we do our community events - for volunteer parking helpers, tour guides as well as with our education program. Hosting with food & coffee is manaakitanga - necessary for many reasons.

Cost of participation:

No cost for volunteers to participate. A small cost for schools however that is outside this funding application and usually separately fundraised for to lower that barrier.

Total expenditure	Total income	Other grants approved	Applicant contribution
\$	\$	\$	\$12600.00

Expenditure item	Amount	Amount requested from Local Board
Radios	\$1675.00	\$1675.00
High viz vests	\$402.00	\$402.00
AED defibrillator	\$2964.00	\$2964.00
Supplies for weekly Tuesday volunteer working bee with 20-30 people (see list for \$45 but some items will be used over multiple weeks - averaging \$20 per week x 50 weeks) including twelve monthly working bees on Sundays	\$1000.00	\$500.00
Volunteer coordinator time (\$35x4hrsx65 sessions)	\$9100.00	\$0.00
Supplies for two events for around 70 volunteers	\$1000.00	\$400.00
Organising and publicising the events (\$35/hr x 20 hrs x 2)	\$1400.00	\$0.00
Bike racks (3x \$384)	\$1152.00	\$1152.00
Labour installing bike racks	\$1500.00	\$0.00
Bike pump and repair set when bought as per images at \$1500 each + shipping + installation	\$2000.00	\$500.00

Income description	Amount
No project income for volunteers to join working bees!	\$0.00

Other funding sources	Amount	Current Status
	\$\$	

Donated materials	Amount

Bike rack base and cover - reused and recycled materials	\$1500.00
Bike pump & repair materials	\$500.00
Advice on radios and AED by an expert	\$100.00

Total number of volunteers	Total number of volunteer hours
41	3642

Additional information to support the application:	As you can see our bank account has a significant amount in it. This is comprised of funds by funders tagged to different projects (education, wages, pest control, willow control etc). None of the funding covers the costs in this application.

LG2419-117

The Last Stand

Legal status:	Informal group/ no legal structure	Activity focus:	Events
----------------------	------------------------------------	------------------------	--------

Project: The last Stand Music Festival

Location:	Waima reserve, waima, Titirangi		
Summary:	A previously successful Music Festival within the local community of Waima, Titirangi providing a boutique Indie festival experience within a community setting. Promoting emerging and established acts and providing work for small contractors within the arts sector. The project brings the community together connecting friends, neighbours and the community in general as well as attracting interest from outwith the area due to the careful curating of the acts to ensure the best quality event possible relative to the budget.		
Expertise:	The success of the inaugural festival and a track record of over 200 events produced within the Comedy/Music industries. Those involved having expertise and experience in many events including 15 Titirangi Festival of Music events, hence keeping the momentum and use of those skills relevant		
Dates:	24/03/2024 - 24/03/2024		
People reached:	1000-1200		
% of participants from Local Board	95%		
Promotion:	Promotion and marketing will happen in the form of extensive posters, corflutes, flyers in the local area, socila media posting in local groups, advertisement on		

various gig guide platforms, radio and word of mouth. Plan to also have a website. the local board's contribution will be acknowledged with logos on marketing material and verbal acknowledgment on the day.

Community benefits

Identified community outcomes:

Bringing the community together and creating a stronger connection and "providing a lot of joy within the community". Income for local businesses and individuals such as stage production, marketing, photography/videography, food trucks, face painting, other kids activities, dj's/musicians, work experience in the form of volunteering for young people. Revenue for local businesses through our sponsorship programme and beyond to the local dairies, etc.

Alignment with local board priorities:

Waitākere Ranges

- Support arts and cultural activities that create a sense of place, interest, and local identity

Collaborating organisation/individual	Role
TFM (Titirangi Festival of Music)	Umbrella organisation for applying for funding

Demographics

Māori outcomes:

- *Māori focus - tikanga (practices), mātauranga (knowledge), reo (language)*

As practiced in the previous festival we had a Maori elder give a Makatau to open the festival

Accessible to people with disabilities

Yes - The park has a flat concrete entrance to get to the rear end of the park or visibility from the road down the side

Healthy environment approach:

Include waste minimisation (zero waste) messages, Healthy options for food and drink, including water as the first choice, Encourage the reduction of carbon emissions or increase community resilience to the impacts of climate change*

Promote zero waste on day and encourage to use waste management bins. Healthy food truck options and encourage people to walk to the festival if possible or use public transport/car pool, etc.

Does your project support any genders, ages or ethnicities specifically?

The project targets the whole community of any gender, ethnicity or age

Financial information

Amount requested: \$12000.00

Requesting grant for: To pay for the acts

If part funded, how would you make up the difference:

Reduce the quality of acts, find volunteers for tech and PA, production, etc and reduce capacity at venue so around \$15000

Cost of participation: Yes \$20

Total expenditure	Total income	Other grants approved	Applicant contribution
\$	\$	\$	\$0.00

Expenditure item	Amount	Amount requested from Local Board
5 x acts	\$12000.00	\$12000.00

Income description	Amount
900 adult tickets @ \$20	\$18000.00
100 child tickets @ \$10	\$1000.00

Other funding sources	Amount	Current Status
The Trusts	\$20000.00	Pending

Donated materials	Amount
	\$\$

Total number of volunteers	Total number of volunteer hours
15	610

Additional information to support the application:	The organisation is not formed yet. We are waiting to hear whether our potential umbrella organisation, The Titrangi Festival of Music can help us apply for funding first. Therefore, there are no financial statements or bank account details specific to the organisation. i did it all through my own business account last year
---	---

Funding history

Application ID	Project title	Decision
LG2419-117	Round - Stage The last Stand Music Festival 2023/2024 Waitākere Ranges Local Grants, Round One - GA assessment completed	Allocation Undecided \$0.00

LG2419-120

Glenda Northey

Legal status:	Informal group/ no legal structure	Activity focus:	Arts and culture
----------------------	------------------------------------	------------------------	------------------

Project: Cyclone Gabrielle and the west coast communities

Location:	176 Piha Road Piha		
Summary:	During Cyclone Gabrielle our community at Pihha and Karekare took a substantial hit. We wish to write a children's book from a child's perspective about local resiliency and the response to the landslides, homes red stickered and no power for weeks and no road access to amenities and schools.		
Expertise:	I have published several books. But the Benson book about the Waitakere Ranges and covid was a very successful collaboration between 3 karekare and Piha residents.		
Dates:	01/02/2023 - 01/09/2023		
People reached:	n/a		
% of participants from Local Board	80%		
Promotion:	As in the Benson book the auckland Council and Waitakere Board logos		

Community benefits

Identified community outcomes:

The idea of our book is not only to make a historic record of the event but to show how resilient the west coast communities were in responding to the events and this will be recorded through the eyes of children.

Alignment with local board priorities:

Waitākere Ranges

- Make small grants to local groups for projects or actions which will have a positive impact on community resilience

Collaborating organisation/individual	Role
Joanne Kingston	Co-author
Lyn Kriegler	Artist/ illustrator

Demographics

Māori outcomes:

- *Māori focus - tikanga (practices), mātauranga (knowledge), reo (language)*

AS in our previous book we will include as many Maori place names and te reo as possible.

Accessible to people with disabilities Yes - Through libraries and for sale

Healthy environment approach: N/A

Does your project support any genders, ages or ethnicities specifically?

Aimed at children principally

Financial information

Amount requested: \$1000.00

Requesting grant for: Towards cost of illustrations and printing

If part funded, how would you make up the difference:

This is only a small percentage of what is needed but as we can only apply for \$1000 we will also have to try elsewhere, will try and get sponsored by locals as we did the Benson book

Cost of participation: N/a

Total expenditure	Total income	Other grants approved	Applicant contribution
\$	\$	\$	\$5000.00

Expenditure item	Amount	Amount requested from Local Board
Artwork	\$2500.00	\$1000.00

Income description	Amount
	\$\$

Other funding sources	Amount	Current Status
	\$\$	

Donated materials	Amount
	\$\$

Total number of volunteers	Total number of volunteer hours
3	240

2023/2024 Waitākere Ranges Local Grants, Round One

LG2419-121

Jenny MacDonald

Legal status:	Informal group/ no legal structure	Activity focus:	Environment
----------------------	------------------------------------	------------------------	-------------

Project: Grow to protect

Location:	Waitakere River Valley
Summary:	Grow eco-sourced wetland plants for planting in the Waitakere River Valley - protecting riverbanks and replanting riparian margins. Currently we're applying for funding for potting mix (which has become really expensive!), EmGuards to protect the plants from getting eaten by rabbits or overgrown by weeds and some gumboots for volunteers who show up without.
Expertise:	The four main Waitakere Rivercare stalwarts are locals and have been doing this for the past 30+ years. One is a professional ecologist, two are expert botanists and all have worked with volunteers and as volunteers for decades.
Dates:	01/01/2024 - 01/01/2030
People reached:	100
% of participants from Local Board	100%
Promotion:	We will use our umbrella organisation Matuku Link to acknowledge the local board's contribution, plus it is on the wall of our nursery and on our Facebook page.

Environmental benefits: Trees sequester carbon, wetlands sequester up to 8 times more carbon. More wetlands = better to combat climate crises.

More plants in old paddocks will slow down the water in floods and stop sediment entering the sea. Less sediment & cooler streams is better for native species, more wetland habitat is better for native species as Auckland has only 9% wetlands left.

Community benefits

Identified community outcomes:

Less streambank erosion, involvement in streamside planting, less sediment in the lagoon and the Tasman, cleaner streams. More trees is cooler streams is more native streamlife.

Education and knowledge sharing about the benefit for the environment and for people by planting

natives.

Information on how to grow native plants (and which ones) yourself.

Trees sequester carbon, wetlands sequester up to 8 times more carbon. More wetlands = better to combat climate crises.

More birdlife seen. More trees and plants in former paddocks slow down water during floods, filter sediment and both are good for human structures downstream (roads, houses) as well as better for the environment with less sediment entering the sea.

Alignment with local board priorities:

Waitākere Ranges

- Support and deliver projects, programmes and activities that address stream and coastal erosion, water quality, weed and animal pest management, environmental programmes, education, and biodiversity (rural or urban)

Collaborating organisation/individual	Role
Matuku Reserve Trust	our nursery is on their land and they host the volunteer sessions

Demographics

Māori outcomes:

- *Māori focus - tikanga (practices), mātauranga (knowledge), reo (language)*

Our project enhances nature, especially te repo - the wetland environment. Our work is supported by Te Kawerau a Maki.

Accessible to people with disabilities

Yes - Some of it is - we have a down syndrome youth as a volunteer, someone with high degree of alzheimers and a number of volunteers with limited physical abilities. Within our nursery space we accommodate for all abilities as much as possible. Our space is sheltered, we can work around a table - seated or standing.

Healthy environment approach:

Encourage the reduction of carbon emissions or increase community resilience to the impacts of climate change*

Trees sequester carbon, wetlands sequester up to 8 times more carbon. More wetlands = better to combat climate crises. More plants in old paddocks will slow down the water in floods and stop sediment entering the sea.

Does your project support any genders, ages or ethnicities specifically?

No, everyone is welcome.

Financial information

Amount requested: **\$3837.13**

Requesting grant for: EmGuards (tree protectors), potting mix and gumboots.

If part funded, how would you make up the difference:

Without potting mix we can't grow our plants... the EmGuards are really really helpful to keep them alive!

Cost of participation: No

Total expenditure	Total income	Other grants approved	Applicant contribution
\$	\$	\$	\$5000.00

Expenditure item	Amount	Amount requested from Local Board
Potting mix (6m2)	\$852.18	\$852.18
EmGuards (1800)	\$2520.00	\$2520.00

Project: Aotearoa Māori Rugby League inaugural tournament

Location:	Te Atatu South Park and Ngati Otara Park		
Summary:	The Aotearoa Māori Rugby League inaugural tournament is a by Māori, for Māori kaupapa that encourages rangatahi to engage in team sports – supporting whanaungatanga, wairua, and a tinana-enhancing engagement with their peers. This kaupapa has been in planning for a number of years with a vision to deliver meaningful, relatable rugby league content through an authentic Māori lens. Using rugby league as the vehicle, this kaupapa will support each participant's pursuit of physical health, fitness, and skill acquisition.		
Expertise:	Waipareira has hosted many sport and recreation events throughout the years, everything from kapa haka events, to league and netball. Waipareira also sponsors local rangatahi sports teams as this is an outlet that Waipareira feels strongly towards supporting		
Dates:	22/09/2024 - 27/10/2024		
People reached:	500		
% of participants from Local Board	100%		
Promotion:	We will thank the local board on all billboards, social media ads, and any radio ads that we purchase		

Community benefits

Identified community outcomes:

The community will benefit from this kaupapa because the event offers Māori youth a place to engage positively with other youth. The event offers an outlet for youth to exercise both physically

and mentally - training will test their physical and mental endurance and encourage them to support each other as they all grow together. Participation in the event is going to be at no cost to the whānau of the rangatahi, but for their participation the rangatahi will receive full uniforms, high-level training by league experts, and full game access for players. The tournament will also include kai stalls and free children's rides, so this will be an enjoyable event for all whānau members and a space that encourages the making of many positive memories

Alignment with local board priorities:

Maungakiekie-Tāmaki

- Communities are given the opportunity to fully participate and feel a sense of belonging

Experience within the Auckland Rugby League environment is currently restrictive and inadequately supported for young Māori and their whānau. Many whānau Māori are from higher deprivation areas, and encounter accessibility barriers to appropriate gear and trainings. Waipareira aims to bridge this barrier for rangatahi and their whānau, offering the children a safe, accessible space to hone their natural abilities, and offer high level league training. Waipareira have identified that ongoing support and access to higher level training will enable rangatahi and their whānau to identify and maximise sporting potential, while learning about the required level of future commitment to enhance chances of success.

Waitematā

- Provide opportunities to celebrate Māori heritage and culture

The Aotearoa Māori Rugby League inaugural tournament is a by Māori, for Māori kaupapa that encourages rangatahi to engage in team sports – supporting whanaungatanga, wairua, and a tinana-enhancing engagement with their peers. This kaupapa has been in planning for a number of years with a vision to deliver meaningful, relatable rugby league content through an authentic Māori lens. Using rugby league as the vehicle, this kaupapa will support each participant's pursuit of physical health, fitness, and skill acquisition. Furthermore, this kaupapa aims to deliver a platform for Māori rangatahi to unapologetically own and showcase their pride in identity and culture – enabling a safe space for cultural reconciliation and strengthening of identity. Waipareira aims to bridge accessibility barriers for rangatahi and their whānau, offering the children a safe, accessible space to hone their natural abilities, and offer high level league training. Waipareira have identified that ongoing support and access to higher level training will enable rangatahi and their whānau to identify and maximise sporting potential, while learning about the required level of future commitment to enhance chances of success.

Māngere-Ōtāhuhu

- Partnering with Māori and Pasifika to enable excellence and equity

The Aotearoa Māori Rugby League inaugural tournament is a by Māori, for Māori kaupapa that encourages rangatahi to engage in team sports – supporting whanaungatanga, wairua, and a tinana-enhancing engagement with their peers. This kaupapa has been in planning for a number of years with a vision to deliver meaningful, relatable rugby league content through an authentic Māori lens. Using rugby league as the vehicle, this kaupapa will support each participant's pursuit of physical health, fitness, and skill acquisition. Furthermore, this kaupapa aims to deliver a platform for Māori rangatahi to unapologetically own and showcase their pride in identity and culture – enabling a safe space for cultural reconciliation and strengthening of identity. Waipareira aims to bridge accessibility barriers for rangatahi and their whānau, offering the children a safe, accessible space to hone their natural abilities, and offer high level league training. Waipareira have identified that ongoing support and access to higher level training will enable rangatahi and their whānau to identify and maximise sporting potential, while learning about the required level of future commitment to enhance chances of success.

Manurewa

- Support for youth development

The Aotearoa Māori Rugby League inaugural tournament is a by Māori, for Māori kaupapa that encourages rangatahi to engage in team sports – supporting whanaungatanga, wairua, and a tinana-enhancing engagement with their peers. This kaupapa has been in planning for a number of years with a vision to deliver meaningful, relatable rugby league content through an authentic Māori

lens. Using rugby league as the vehicle, this kaupapa will support each participant's pursuit of physical health, fitness, and skill acquisition. Furthermore, this kaupapa aims to deliver a platform for Māori rangatahi to unapologetically own and showcase their pride in identity and culture – enabling a safe space for cultural reconciliation and strengthening of identity. Waipareira aims to bridge accessibility barriers for rangatahi and their whānau, offering the children a safe, accessible space to hone their natural abilities, and offer high level league training. Waipareira have identified that ongoing support and access to higher level training will enable rangatahi and their whānau to identify and maximise sporting potential, while learning about the required level of future commitment to enhance chances of success.

Ōtara-Papatoetoe

- Prioritising Māori outcomes

The Aotearoa Māori Rugby League inaugural tournament is a by Māori, for Māori kaupapa that encourages rangatahi to engage in team sports – supporting whanaungatanga, wairua, and a tinana-enhancing engagement with their peers. This kaupapa has been in planning for a number of years with a vision to deliver meaningful, relatable rugby league content through an authentic Māori lens. Using rugby league as the vehicle, this kaupapa will support each participant's pursuit of physical health, fitness, and skill acquisition. Furthermore, this kaupapa aims to deliver a platform for Māori rangatahi to unapologetically own and showcase their pride in identity and culture – enabling a safe space for cultural reconciliation and strengthening of identity. Waipareira aims to bridge accessibility barriers for rangatahi and their whānau, offering the children a safe, accessible space to hone their natural abilities, and offer high level league training. Waipareira have identified that ongoing support and access to higher level training will enable rangatahi and their whānau to identify and maximise sporting potential, while learning about the required level of future commitment to enhance chances of success.

Henderson-Massey

- More opportunities for expression of Māori language, heritage, culture, and arts

The Aotearoa Māori Rugby League inaugural tournament is a by Māori, for Māori kaupapa that encourages rangatahi to engage in team sports – supporting whanaungatanga, wairua, and a tinana-enhancing engagement with their peers. This kaupapa has been in planning for a number of years with a vision to deliver meaningful, relatable rugby league content through an authentic Māori lens. Using rugby league as the vehicle, this kaupapa will support each participant's pursuit of physical health, fitness, and skill acquisition. Furthermore, this kaupapa aims to deliver a platform for Māori rangatahi to unapologetically own and showcase their pride in identity and culture – enabling a safe space for cultural reconciliation and strengthening of identity. Waipareira aims to bridge accessibility barriers for rangatahi and their whānau, offering the children a safe, accessible space to hone their natural abilities, and offer high level league training. Waipareira have identified that ongoing support and access to higher level training will enable rangatahi and their whānau to identify and maximise sporting potential, while learning about the required level of future commitment to enhance chances of success.

Waitākere Ranges

- Increase opportunities for Maori arts and cultural expression

Whau

- Māori People living in the Whau are empowered to realise their aspirations for their whānau and local communities

The Aotearoa Māori Rugby League inaugural tournament is a by Māori, for Māori kaupapa that encourages rangatahi to engage in team sports – supporting whanaungatanga, wairua, and a tinana-enhancing engagement with their peers. This kaupapa has been in planning for a number of years with a vision to deliver meaningful, relatable rugby league content through an authentic Māori lens. Using rugby league as the vehicle, this kaupapa will support each participant's pursuit of physical health, fitness, and skill acquisition. Furthermore, this kaupapa aims to deliver a platform for Māori rangatahi to unapologetically own and showcase their pride in identity and culture – enabling a safe space for cultural reconciliation and strengthening of identity. Waipareira aims to bridge accessibility barriers for rangatahi and their whānau, offering the children a safe, accessible space to hone their natural abilities, and offer high level league training. Waipareira have identified that ongoing support and access to higher level training will enable rangatahi and their whānau to

identify and maximise sporting potential, while learning about the required level of future commitment to enhance chances of success.

Collaborating organisation/individual	Role
Te Atatū Roosters Rugby League Club	Management and coaching
Te Pae Herenga o Tāmaki Whānau Ora Collective	Disseminating event information and collecting feedback data post event
Waitakere Rugby League Academy	Training rangatahi in build-up to tournament

Demographics

Māori outcomes:

- Māori led - either a Māori organisation that is applying or Māori directed (came about as a request from Māori), Māori involvement in the design/concept, Māori focus - tikanga (practices), mātauranga (knowledge), reo (language), Māori participation - Māori priority group, target group, high representation or Māori staff delivering*

This is a by Māori for Māori event. It is intended to increase and support all facets of Te Whare Tapa Wha - exercising "tinana", enjoying whanaungatanga with "whanau" and friends, producing positive reinforcements for "hinengaro" in celebrating Māori identity and making positive whanau memories, and supporting the "wairua" of participants by offering an encouraging space for them to grow and add new achievements to their kete. This event is to encourage rangatahi to reach their full potential

Accessible to people with disabilities

No -

Healthy environment approach:

Promote smoke-free messages, Include waste minimisation (zero waste) messages, Healthy options for food and drink, including water as the first choice, Encouraging active lifestyles including movement or fitness programmes, Encourage the reduction of carbon emissions or increase community resilience to the impacts of climate change*

We will include bins that offer recycling and waste options, free water bottle fill stations to encourage reusable options, the event encourages healthy fitness, and we will encourage use of carpooling or public transport to access the event, our event is smoke-free

Does your project support any genders, ages or ethnicities specifically?

Māori rangatahi aged 10 to 18 years

Visionwest Community Trust

Legal status:	Charitable Trust	Activity focus:	Community
----------------------	------------------	------------------------	-----------

Project: Christmas From The Heart

Location:	Visionwest, 97 Glendale Road, Glen Eden, Auckland 0602		
Summary:	<p>Christmas From The Heart is an initiative run by Visionwest with collaborative support from businesses, volunteers and community organisations. While Christmas is often a time of celebration, the additional pressures on whānau experiencing material hardship can be immense. Visionwest offers food relief and small gifts for tamariki to local whānau (and those living in surrounding areas) to help alleviate some of these pressures and transform tough times into treasured memories. In 2022, Christmas From The Heart distributed 1,758 food boxes and 10,000 gifts to 3,837 adult family members, 197 senior family members and 5,000 children. This year we are offering whānau the opportunity to select their own Christmas food through our new Manaaki Kai social supermarket.</p>		
Expertise:	<p>Christmas From The Heart (formally Meri Kirihimete) has been successfully delivered since 2019. Visionwest has a team of highly experienced staff, cultural support, a growing number of volunteers who look forward to contributing each year, and an ability to leverage local business relationships to make this project a resounding success. Additionally Visionwest has successfully collaborated with Auckland City Mission and other community groups who run similar events.</p>		
Dates:	06/12/2023 - 23/12/2023		
People reached:	4,750		
% of participants from Local Board	84%		
Promotion:	<p>We will be utilising our own website and social media to promote Christmas From The Heart and share stories of impact, and can include acknowledgement of Auckland Council and the Local Boards on some of these communications as appropriate. We will be undertaking leaflet drops and producing event signage and other collateral and, with your permission, can include the Local Board and/or Auckland Council logos on some of these items. In addition, there will be</p>		

	opportunities for Council and Local Board members to attend Christmas From The Heart at Visionwest to see first-hand the impact of the sponsorship and share images and commentary with their own networks and stakeholders.
--	--

Community benefits

Identified community outcomes:

Christmas From The Heart:

- helps to alleviate the pressures of Christmas, a significant pain point for whānau already experiencing material hardship
- has been co-designed with and supported by the Visionwest Māori development team to ensure it aligns with organisational values, the Visionwest Māori Framework and follows tikanga, which is particularly important in the welcoming of whānau and preparation of food
- brings a diverse range of people together with a shared interest in providing awhi (care and support) to local whānau going through a difficult time
- fosters a sense of community spirit and service among the many volunteers, businesses, community organisations and other agencies that work alongside Visionwest to deliver this project
- raises awareness of Visionwest and the services Visionwest offers whānau experiencing the broader impacts of hardship and poverty
- provides an opportunity for local whānau and members of the Visionwest team to connect and potentially discuss ways Visionwest could journey with whānau to bring about positive change
- offers hope, help, kindness and a connection to ongoing support for whānau who are struggling.

Alignment with local board priorities:

Henderson-Massey

- Support community-led initiatives that increase access to local, healthy, and affordable food

For West Aucklanders who are already experiencing poverty, isolation or homelessness, Christmas is a particularly difficult time. The financial and emotional burden of Christmas, school holidays and upcoming school expenses hits the most vulnerable the hardest.

COVID-19, the weather events of early 2023 and the rapidly escalating cost of living have all exacerbated loneliness and anxiety, increased food insecurity and material hardship, and many whānau can no longer get by without support.

In 2022, over 4,413 people who received food and children's gifts from our Christmas From The Heart event lived in the Henderson-Massey area. Food support from Christmas From The Heart ensured that these families received local and healthy food at Christmas, and were also linked to our wraparound services including Pātaka Kai and the Manaaki Kai social supermarket to ensure this food support continues for as long as whānau are in need.

Waitākere Ranges

- Make small grants to local groups for projects or actions which will have a positive impact on community resilience

Whau

- Our youngest, oldest, and most vulnerable citizens are respected, included, and cared for, particularly in light of the evolving COVID-19 situation

For West Aucklanders who are already experiencing poverty, isolation or homelessness, Christmas is a particularly difficult time. The financial and emotional burden of Christmas, school holidays and upcoming school expenses hits the most vulnerable the hardest.

COVID-19, the weather events of early 2023 and the rapidly escalating cost of living have all exacerbated loneliness and anxiety, increased food insecurity and material hardship, and many whānau can no longer get by without support.

In 2022, over 1,441 people who received food and children's gifts from our Christmas From The Heart event lived in the Whau area.

Christmas From The Heart brings the local community together. Volunteers, businesses, community organisations, agencies, and neighbours all work together to create a welcoming sense of community spirit and warmth and belonging to ensure our youngest, oldest, and most vulnerable citizens in the Whau area are respected, included and cared for.

Collaborating organisation/individual	Role
Auckland City Mission	Expertise and partnership
Local and corporate businesses	Donations of goods and services, discounts on goods and services, volunteer help
Glen Eden Baptist Church	Providing building for storage and packing space, volunteers, facilities for volunteers and whānau
Ministry of Social Development	Optional whānau access to Special Needs Grants through WINZ
Community volunteers, including Māori Wardens	Helping to manage food and toy stocks, packing food parcels, sorting toys by age range, loading supplies into whānau vehicles, and management of the traffic flow

Demographics

Māori outcomes:

- *Māori led - either a Māori organisation that is applying or Māori directed (came about as a request from Māori), Māori involvement in the design/concept, Māori focus - tikanga (practices), mātauranga (knowledge), reo (language), Māori participation - Māori priority group, target group, high representation or Māori staff delivering*

Whānau Māori represent between 38-49% of clients accessing support at Visionwest. In 2022, 44% of people collecting Christmas boxes identified as Māori. Visionwest's core organisational values complement the four pou of Visionwest's Kaupapa Māori Framework. These eight values act as constellations to guide us as we journey with whānau Māori and work with them to achieve wellbeing and equitable outcomes. Māori leadership and kaimahi will be available each day to talk with whānau. The team use a developed Māori-informed approach to encourage whānau to consider how Visionwest might walk alongside them to address broader needs. Māori Wardens have kindly volunteered to help manage the flow of traffic and reinforce the cultural safety of this event again this year.

Accessible to people with disabilities

Yes - Visionwest's campus is fully accessible to people with disabilities. Whānau are not required to leave their vehicle if this is difficult for them – volunteers will place their Christmas food in the boot of their car. In some situations, support workers may collect the Christmas pack on their client's behalf. We have designated parking, accessible toilet and refreshment facilities. Staff and volunteers will be on hand to assist people with disabilities as and when needed.

Healthy environment approach:

Promote smoke-free messages, Healthy options for food and drink, including water as the first choice, Encourage the reduction of carbon emissions or increase community resilience to the impacts of climate change*

Visionwest is a smoke and vape-free site and this is clearly communicated on-site. Food selection is designed to offer ample fresh fruit and vegetables (including fresh food from food rescue partners), healthy proteins, dairy foods and pantry staples, together with a few treat foods for the Christmas festive meal.

Sugary drinks are not included. Water is available on site for staff, volunteers and whānau.

Does your project support any genders, ages or ethnicities specifically?

This project supports all genders, ages and ethnicities.

Financial information

Amount requested: \$19145.48

Requesting grant for: We are seeking \$19,145.48 to fund some of the key logistical costs associated with this project, specifically marquee and temporary fencing equipment hire and associated costs for installation, chiller, radio telephones, rubbish bins and portable toilet hire.

If part funded, how would you make up the difference:

Christmas From The Heart is relied upon by thousands of Aucklanders so this event must go ahead. Should we be unable to attract sufficient funding, as an absolute last resort we may need to consider reducing the number of whānau this event can support. Christmas From The Heart is already oversubscribed. By reducing numbers Visionwest will be forced to 'turn more whānau away'. This would significantly impact both local whānau who have missed out on this opportunity, and Visionwest as an organisation who already struggles to close the call centre when capacity has been reached.

Cost of participation: No

Total expenditure	Total income	Other grants approved	Applicant contribution
\$19145.48	\$0.00	\$161000.00	\$42542.00

Expenditure item	Amount	Amount requested from Local Board
Marquee hire	\$6100.00	\$6100.00

MB2324-145

Charlotte Harland

Legal status:	Informal group/ no legal structure	Activity focus:	Arts and culture
----------------------	------------------------------------	------------------------	------------------

Project: Dabble

Location:	Around Tamaki Makarau		
Summary:	My television pilot 'DABBLE' follows the artistic path of three queer millenials in Tamaki Makarau, who are led with little career guidance, met with financial hardships and challenged by societal expectations.		
Expertise:	Discussions are underway with a producer who has been involved with productions throughout the Auckland region and is only interested in projects that benefit Aotearoa.		
Dates:	01/04/2024 - 31/08/2024		
People reached:	50000<		
% of participants from Local Board	100%		
Promotion:	The local board will have logos on the credits and any distribution material of 'Dabble'.		

Community benefits

Identified community outcomes:

To raise awareness of various themes of the series 'Dabble'. In a few episodes the lead characters aren't aware of local board restrictions in parks in relation to dogs, alcohol and maintaining Aotearoa's Taiao of native plants and wildlife. The series also celebrates diversity in many characters: class, race, gender identity and sexual orientation with specific community ties to Tamaki Makarau's establishments.

Alignment with local board priorities:

Albert Eden

- People are included, interconnected and celebrate our diversity

All leads in the TV show are queer, though it isn't necessarily the main theme of the show. It is their reality rather than their 'character trait' and real stories are told by real people, who just happen to be queer.

Maungakiekie-Tāmaki

- Māori culture and identity are celebrated

The series will include the cultural identities of lead and supporting characters with iwi and reo incorporated into the storylines and the cultural significance Tamaki Makarau and surrounding areas have in the respective themes of 'DABBLE'

Waitematā

- Provide opportunities to connect communities, through creative and diverse arts, sports, events, and community activities

Cast and crew will be hired based on locality and keeping with the theme of connecting communities through the arts.

Waitākere Ranges

- Support arts and cultural activities that create a sense of place, interest, and local identity

Collaborating organisation/individual	Role

Demographics

Māori outcomes:

- *Māori involvement in the design/concept, Māori focus - tikanga (practices), mātauranga (knowledge), reo (language)*

Tikanga will be incorporated throughout the series as one of the supporting roles is Maori and will educate the lead roles of their cultural practices, the script will also incorporate te reo with graphics and themes also referencing the language.

Accessible to people with disabilities

Yes - Casting will be done to include people with disabilities and the planned producer on board the project is confident to facilitate people with disabilities as crew on set.

Healthy environment approach:

Include waste minimisation (zero waste) messages, Healthy options for food and drink, including water as the first choice, Encouraging active lifestyles including movement or fitness programmes

- Park culture is a huge theme in the series and can adopt a B-Line with multiple shots to promote a greener NZ approach.
- In regard to healthy food options, we are hoping to get Arepa (drink company in NZ) on board for sponsorship which encourages brain enhancing features by way of natural ingredients (and local)
- And active lifestyles are included in most character arcs of the lead roles, including dog walks, football and hiking in native bush.

Does your project support any genders, ages or ethnicities specifically?

Absolutely, the three lead roles are all queer with some identifying outside the binary. However whilst the storylines incorporate romance and lgbtq+ themes, it is not something I want to advertise as a diversity tactic by 'ticking that box'... it is just simply based on artistic millenials who happen to be queer... a minority becoming a majority in the context oof this show.

Financial information

Amount requested: \$1000.00

Requesting grant for: The initial writing process, the research and requirements that each episode will entail to meet specific cultural, local and historical importance to the series.

If part funded, how would you make up the difference:

I would amend my project to prolonging the time-frame in order for me to work part-time to contribute to living costs.

Cost of participation: n/a

Total expenditure	Total income	Other grants approved	Applicant contribution
\$0.00	\$0.00	\$400000.00	\$0.00

Expenditure item	Amount	Amount requested from Local Board
0	\$0.00	\$1000.00

WE ARE ONE TRUST

Legal status:	Charitable Trust	Activity focus:	Community
----------------------	------------------	------------------------	-----------

Project: FOODS OF THE WORLD

Location:	TRUSTS ARENA		
Summary:	The World of Food project aims to celebrate the diversity of Auckland through food. It is a multicultural food festival that showcases different cuisines from different parts of the world. The idea is to present foods from lesser-known ethnic communities and through cuisine get an understanding of the culture. It will promote community connectedness and inclusiveness.		
Expertise:	We have jointly organised public Chinese Cultural Festival in May 2023, Diwali and Holi festival events in West Auckland which involved food stalls. We have also successfully conducted cuisine therapy workshops.		
Dates:	20/01/2024 - 31/03/2024		
People reached:	10000		
% of participants from Local Board	100%		
Promotion:	we will be acknowledging the LB through our social media campaign, taking video clips from LB members of inviting people to the event, acknowledging the LB at the event and in media and PR		

Community benefits

Identified community outcomes:

Culture is often expressed through food. People who travel overseas often learn about a foreign culture through local food and local eating habits. Auckland has a hugely diverse population and one of the joys of living in Auckland is the variety of different foods that is available. This project intends to showcase the various cuisines of the world under one umbrella in one place so that visitors can get a taste of different cuisines and cultures and while doing so an appreciation and understanding of the diversity and many cultures that inhabit Auckland.

Alignment with local board priorities:

Henderson-Massey

- Community arts and events connect people and enhance community identity

Culture is often expressed through food. People who travel overseas often learn about a foreign culture through local food and local eating habits. Auckland has a hugely diverse population and one of the joys of living in Auckland is the variety of different foods that is available. This project intends to showcase the various cuisines of the world under one umbrella in one place so that visitors can get a taste of different cuisines and cultures and while doing so an appreciation and understanding of the diversity and many cultures that inhabit Auckland.

Waitākere Ranges

- Support arts and cultural activities that create a sense of place, interest, and local identity

Whau

- Our diverse communities are empowered to promote their cultural traditions and interests, engage with other communities and foster leadership

Culture is often expressed through food. People who travel overseas often learn about a foreign culture through local food and local eating habits. Auckland has a hugely diverse population and one of the joys of living in Auckland is the variety of different foods that is available. This project intends to showcase the various cuisines of the world under one umbrella in one place so that visitors can get a taste of different cuisines and cultures and while doing so an appreciation and understanding of the diversity and many cultures that inhabit Auckland.

Demographics

Māori outcomes:

- *Māori participation - Māori priority group, target group, high representation or Māori staff delivering*

we will be collaborating with the local maori community and marae for their participation

Accessible to people with disabilities

Yes - we will ensure there is parking

Healthy environment approach:

Promote smoke-free messages, Include waste minimisation (zero waste) messages, Healthy options for food and drink, including water as the first choice

: The event will be smoke free, will minimise waste, and will promote healthy options for food and drink.

Does your project support any genders, ages or ethnicities specifically?

yes we cover all genders and ethnicities. this is an open event - its about celebrating cultures and not just ethnic ones

Financial information

Amount requested: **\$14954.60**

Requesting grant for: Marquees for the stall and sound system for the event

If part funded, how would you make up the difference:

we will have to cut the number of marquees and hire a smaller venue but this will not make an impact on the community. it will only mean that less people will attend the event

Cost of participation: no this is a free community event

Total expenditure	Total income	Other grants approved	Applicant contribution
\$14954.60	\$0.00	\$45000.00	\$3000.00

MB2324-157

Te Pou Theatre Trust

Legal status:	Charitable Trust	Activity focus:	Arts and culture
----------------------	------------------	------------------------	------------------

Project: Te Pou Theatre's production of The Handlers

Location:	Te Pou Theatre, 2 Mt Lebanon Lane, Henderson.	
Summary:	The Handlers is a brand new theatre show that presents a fictionalised account of Māori experiences while working at the Crown Lynn Pottery factory in West Auckland in the 1970s. An important local story, the show was written and developed as part of the Te Pou Theatre's playwright-development programme and is also set to feature the set design of award-winning set designer, ceramicist and West Auckland local, John Parker. "The Handlers" is a main bill Te Pou Theatre in-house produced show scheduled for June 2024.	
Expertise:	Te Pou Theatre has been delivering theatre shows since we formed in 2015. Our three poutoko have 20-30+ years experience each in delivering performing arts events. Te Pou is a Creative New Zealand Kahikatea Investment Client which demonstrates sector leadership. Our 2023 presentation programme has included sell out seasons. We are currently producing Kōanga Festival for the ninth year in a row, with a diverse range of arts experiences on offer, many free. Our full time producing and marketing teams are skilled and experienced practitioners who have demonstrated success at Te Pou.	
Dates:	20/05/2024 - 06/07/2024	
People reached:	2437	
% of participants from Local Board	36%	
Promotion:	We are able to fully acknowledge local board support on our print campaign, billboards, on our website and in our show programme through logo placement.	

Community benefits

Identified community outcomes:

This project allows all communities of Auckland to come together and connect to Māori culture, language and values through experiencing a contemporary Māori theatre show set in West Auckland, showcasing a West Auckland story, and presented in West Auckland.

All people of Tāmaki benefit by accessing a story drawing on our past, and reflecting our unique cultural signature.

West Auckland communities benefit by being able to access a high quality theatre show in a local high quality performing arts venue.

Ticket prices are low, between \$12 and \$35, with koha options for rangatahi and pakeke to easily access the show.

Turi and Pohe communities can access the show through sign interpreted, audio described and touch tours.

Creative New Zealand's New Zealanders and the Arts survey (2020) showed that 70% of Māori feel the arts are an important way of connecting with their culture and provides all New Zealanders with a source of wellbeing and motivation to learn and speak te reo Māori.

For Māori, art is not separate from who we are - providing contemporary Māori stories encourages their spread and further creations benefiting all communities of Tāmaki.

Te Pou Theatre is fully wheelchair accessible and welcoming of all diversities.

Alignment with local board priorities:

Henderson-Massey

- More opportunities for expression of Māori language, heritage, culture, and arts

Our project is the premiere of a play featuring people and themes from te ao Māori, and which is mana enhancing for all communities.

The event is the mainbill show for Te Pou Theatre in 2024, a key event in our calendar with a goal of bringing local communities to our venue, and for demonstrating that our venue is for all communities to access and enjoy contemporary Māori performing arts.

The Handlers - a show written by Alvie McKree (Ngapuhi, Ngati Kahu ki Whangaroa, St Vincent, Barbados) and developed as part of Te Pou Theatre's Playwright's Programme - presents a fictionalised account of Māori experiences while working at the Crown Lynn Pottery factory in New Lynn in the 1970s. As such, the play offers the perfect opportunity to showcase te āo Māori, Māori actors and Māori technical practitioners such as lighting designer Jane Hakaraia (Ngāti Raukawa).

Waitākere Ranges

- Value and support our talented local artists and showcase their work

Whau

- The Whau is known and loved for its distinctive creative identity

This project supports this Whau priority by providing a way for Whau community members to easily access an artistic presentation that tells the story of Māori experiences in 1970s New Lynn.

The project features the iconic Crown Lynn factory, reminding all audience members of this highly significant institution, and the works it created.

Not only does this show's presentation empower those who work on it by providing a voice for historical minorities, it will bring together diverse audiences from across West Auckland and no doubt provoke discussion and engagement between these patrons.

Te Pou Theatre has just completed a three million dollar build and fitout inside Shed 1 at Corban Estate Arts Centre, opening it's doors for artists and arts organisations to stage events for audiences. We have surveyed audiences since the first event (Te Pou Theatre's own show Hemo is Home) and statistics are showing a consistent result: 33-35% of our audiences come from West Auckland, 67% of our audiences are Māori.

Te Pou Theatre, by providing and promoting a platform for this project, is fulfilling several of its core whāinga as a leader within the performing arts landscape of Aotearoa, including:

- To create and sustain a programme of Māori storytelling
- To create and sustain a Māori led performing arts venue
- To support and encourage the growth and development of the Auckland Māori performing arts sector
- To increase Māori community engagement with the performing arts
- To increase diverse community engagement with the performing arts
- To connect all communities of Aotearoa to Māori performing arts
- To support the reclamation and revitalisation of Te Reo Māori through the performing arts

Our performing arts venue is kaupapa-Māori led, with this project expected to employ 14 Māori out of a cast, crew and producing team of 18, and with all leadership roles being Māori.

This project engages emerging and established Māori creatives and producers, providing pathways for those Māori to build their skills and pursue sustainable careers as leaders within the performing arts industry.

Collaborating organisation/individual	Role
Jane Hakaraia	Lighting Design
John Parker	Set Design, build and ceramics lessons for cast.

Demographics

Māori outcomes:

- Māori led - either a Māori organisation that is applying or Māori directed (came about as a request from Māori), Māori involvement in the design/concept, Māori focus - tikanga (practices), mātauranga (knowledge), reo (language), Māori participation - Māori priority group, target group, high representation or Māori staff delivering*

Te Pou Theatre is a kaupapa-Māori led performing arts organisation and venue, with leadership on the board of 7 Māori out of 8 trustees.

Management and production leaders are 4 Māori out of 5 total.

The show is written by and for Māori with a cast of 3 Māori and 2 tauwiwi. It incorporates reo Māori and explores Māori perspectives in an historical period.

Te Pou Theatre's core purpose is to build the capability of Māori performing arts practitioners, deliver contemporary Māori theatre and engage Māori communities with mana-enhancing storytelling experiences.

Accessible to people with disabilities

Yes - The venue is wheelchair accessible, we will have a sign interpreted show for turi (deaf) communities

Healthy environment approach:

Include waste minimisation (zero waste) messages, Healthy options for food and drink, including water as the first choice

Te Pou Theatre will be using re-usable glasses and plates for all refreshments available during the show's season.

Te Pou Theatre provides free water for all audience attendees, including facility for self service water coolers.

Te Pou Theatre provides recycling containers for food, and all other waste for both audience members and staff. We actively discourage/prohibit any soft plastic usage in food prep and storage at the venue.

Our kai offerings include healthy options as a priority.

Does your project support any genders, ages or ethnicities specifically?

As an organisation we specifically support Māori, both through the development of emerging artists, development of youth, and through services to benefit Māori audiences.

Financial information

Amount requested: **\$23500.00**

Requesting grant for:

- * Set design fee and set build fee (John Parker design)
- * Lighting design fee for Jane Hakaraia.
- * Support towards the cost of actors fees

If part funded, how would you make up the difference:

Continued fundraising under revenue generation strategy: applications to gaming trusts and foundations.

Cost of participation: Full ticket price: \$35. Concession (kaumatua, student, hāpori/community card) \$25. School groups: \$12.

Lee Clark

Legal status:	Limited Liability Company	Activity focus:	Community
----------------------	---------------------------	------------------------	-----------

Project: Defying Depression, Cool2Care

Location:	Defying depression- Auckland AJ Hackett bunny jump. See YouTube video and schools
Summary:	We have multiple initiatives that we would like to begin. However we need funding for these to happen. Our first is defying depression. Please see YouTube link to

	<p>watch.</p> <p>Our upcoming initiative, Cool2Care, aims to reach intermediate-age students before they transition to high school. The program's goal is to instill a sense of community, self-worth, and ethical discernment. By targeting this age group, we hope to fortify them against peer pressures and the pitfalls of wanting to 'fit in' at the cost of their values. By making it 'Cool2Care,' we aim to inspire them to stand up for what's right, potentially reducing youth crime and fostering healthier communities</p> <p>Please call our founder to find out more. Limited with words here</p>
Expertise:	Better Men boasts a robust foundation of expertise, anchored by Lee's extensive qualifications and firsthand experience. Holding advanced degrees in leadership, Lee brings a decade's worth of experience from working in corrections, giving him a deep understanding of diverse life scenarios. His own battle with a challenging childhood resonates with the struggles faced by many youths, making him uniquely positioned to empathize and connect with them. This personal and professional amalgamation equips Better Men to deliver impactful programs that truly make a difference
Dates:	01/01/2024 - 31/12/2024
People reached:	Tens of thousands
% of participants from Local Board	100%
Promotion:	Any support of funding we receive will be apparent in everything we do. Acknowledging the help we have recieved and without it we wouldn't be able to do what we need to.

Community benefits

Identified community outcomes:

Better Men, as an active community leader, offers invaluable assets that can drastically reshape our communities for the better. Our Defying Depression initiative addresses the poignant issue of youth depression, aiming to reduce the heart-wrenching rates of suicide that afflict our neighborhoods. Simultaneously, our Cool2Care programs are designed to mold young minds, teaching them the distinction between right and wrong, thereby potentially decreasing youth crime rates. These programs not only provide immediate remedies but also shape our youngsters into responsible, compassionate adults. Additionally, our specialized coaching and consulting services are primed to nurture local leadership, ensuring a future where our communities are steered by insightful, responsible figures. Together, these initiatives by Better Men promise communities where safety, well-being, and growth are paramount.

Alignment with local board priorities:

Albert Eden

- People are resilient and can adapt to change

Better Men, as a dedicated social enterprise, stands uniquely poised to uplift our community. With initiatives like Cool2Care targeting the young, we instill values of community, self-worth, and ethical discernment, creating a foundation of resilience. Our transformative programs, combined with tailored coaching and consulting, ensure that individuals are not only nurtured but also inspired to pursue excellence and adapt to change. Every dollar we receive is reinvested into this mission, solidifying our commitment to a brighter, stronger community. By championing personal growth and communal solidarity, Better Men provides a beacon of hope and a path to resilience for all

Maungakiekie-Tāmaki

- People have opportunities for life-long learning in education and training

Better Men is unwavering in its commitment to fostering lifelong learning and guiding our youth in distinguishing right from wrong. Our initiatives, such as Cool2Care and Defying Depression, go beyond temporary solutions, laying the groundwork for sustained education and moral understanding. By instilling core values at an early age, we're not just nurturing good, kind children, but also setting the foundation for them to evolve into compassionate, responsible adults. We believe that lifelong learning is intertwined with character development, and our programs reflect this by emphasizing ethical choices, community engagement, and personal growth. Through our endeavors, we envision a future where our youth seamlessly transition into adulthood carrying forward the torch of kindness, understanding, and communal responsibility

Ōrākei

- The community benefits from a number of community events

Better Men is more than just a social enterprise; it's a movement dedicated to fostering growth, both personal and communal. Our unique approach, exemplified by initiatives like Cool2Care, equips individuals with the tools to be proactive community members. These transformative programs not only focus on individual development but also emphasize the importance of community engagement and collaboration. We consistently seek and develop new initiatives tailored to address specific community needs, ensuring adaptability and relevance. With every endeavor, our goal is to create a ripple effect, strengthening community bonds and supporting events that echo our mission. Better Men stands ready to be a pillar of support, innovation, and unity for community events and initiatives

Waitematā

- Empower our communities to become resilient

Better Men operates at the intersection of individual growth and collective strength. Through our initiatives like Cool2Care, we want to teach individuals to navigate their own challenges, but also instill in them the essence of community interdependence. Our innovative initiatives will be tailored to anticipate and address community-specific issues, ensuring that every individual feels empowered and supported. By focusing on proactive community engagement and mutual upliftment, we are fostering an environment where resilience is not just an individual trait but a shared ethos. Better Men's commitment is clear: to empower each member of the community, making resilience a collective endeavor and a shared

Puketāpapa

- Strong local youth voice and leadership

Better Men is resolutely focused on amplifying the local youth voice, recognizing that their insights and perspectives are pivotal for community growth. Our initiatives, such as Cool2Care and Defying Depression, are grounded in active dialogue with young individuals, ensuring their voices are not only heard but acted upon. By gathering their opinions, we refine our approaches, develop new initiatives, and prioritize what truly matters to them. We believe that by empowering our youth to articulate their views and desires, we're fostering an environment of mutual respect and collaboration. This approach doesn't just mold them into informed, kind-hearted individuals, but also strengthens the community's foundation, ensuring our initiatives resonate with their true needs and aspirations

Franklin

- Our people are supported to actively contribute to their community and the places they live.

Better Men is deeply rooted in the philosophy of individual empowerment and communal upliftment. Through our Cool2Care and Defying Depression initiatives, we're not just focusing on self-development but actively promoting the idea of communal responsibility. Recognizing the challenges faced particularly by our Maori youth, we endeavor to foster Maori education, culture, and leadership. Our tailored programs are designed to transform potential missteps into community-centric actions. By instilling a sense of shared responsibility, we aim to inspire everyone to actively contribute to their communities. Our vision is a unified community where every member feels both supported and driven to support others, ensuring a collective journey towards progress and resilience

Howick

- People actively contribute to their community

Better Men understands that the strength of a community lies in the unity of its members. Through initiatives like Cool2Care and Defying Depression, we aim to remind everyone that they are integral parts of the community fabric. Our tailored programs seek to transform individuals into proactive community contributors. We believe that by standing together and actively supporting one another, we can fortify our collective resilience and ensure a brighter, more harmonious future for all in our community."

Māngere-Ōtāhuhu

- Our community recognises and supports aspirations and development of children and young people

Better Men is wholeheartedly committed to nurturing the potential of our youth. Recognizing the immense promise and aspiration each young individual holds, we've crafted initiatives like Cool2Care and Defying Depression to address both their emotional well-being and moral compass. We provide platforms for them to voice their concerns, dreams, and visions, ensuring they feel heard and valued. Through fostering education, promoting leadership skills, and emphasizing the importance of community involvement, we aim to equip them with the tools and knowledge to chase their dreams. Our approach is holistic, intertwining personal growth with communal responsibility, ensuring that as they chase their aspirations, they also become pillars of strength and inspiration for the community."

Manurewa

- Support for youth development

Better Men places youth development at the forefront of its mission. Recognizing the transformative potential of our young people, our programs like Cool2Care and Defying Depression are tailored to resonate with their unique challenges and aspirations. We prioritize active engagement with the youth, valuing their insights and weaving their feedback into our initiatives. This two-way dialogue ensures that our programs are not only impactful but also relevant, catering to the evolving needs of the younger generation. By nurturing their voices, and valuing their perspectives, we're fostering an environment of growth, empowerment, and mutual respect, setting the stage for a future where our youth are not just beneficiaries but active contributors to community development

Waitākere Ranges

- Support local projects and activities that contribute towards Māori educational, cultural, leadership, and employment outcomes

Demographics

Māori outcomes:

- *Māori involvement in the design/concept, Māori focus - tikanga (practices), mātauranga (knowledge), reo (language), Māori participation - Māori priority group, target group, high representation or Māori staff delivering*

Better Men is dedicated to positively shaping the futures of Maori communities, both young and old. Through tailored initiatives like Cool2Care and Defying Depression, we address unique challenges faced by Maori youth, fostering education, culture, and leadership. Simultaneously, our coaching and consulting services equip Maori adults with tools for personal growth and community leadership. By intertwining traditional Maori values with modern strategies, Better Men aims to rejuvenate community bonds, uplift individual aspirations, and cement a brighter, more resilient future for all Maori generations

Accessible to people with disabilities No -

Healthy environment approach:

Promote smoke-free messages, Healthy options for food and drink, including water as the first choice, Encouraging active lifestyles including movement or fitness programmes

Better Men ardently champions a holistic approach to well-being, encompassing both personal health and environmental stewardship. We firmly stand against smoking and vaping, embedding this message in our programs to ensure our youth internalize the importance of making health-conscious decisions. Beyond personal health, we encourage them to understand and respect the delicate balance of our environment, teaching them the ripple effects of their actions. By intertwining lessons on personal responsibility with broader environmental consciousness, Better Men aims to foster a generation that's not just healthy in body, but also in spirit and action, keenly aware of their role in nurturing both themselves and the world around them.

Does your project support any genders, ages or ethnicities specifically?

Better Men primarily targets male youth and young men, recognizing the pivotal role they play in the fabric of our communities. By focusing on their development and well-being, we believe the benefits will transcend individual boundaries. The positive growth and change observed in these young men will undoubtedly radiate outward, influencing their siblings, parents, and extended whanau. This ripple effect ensures that by uplifting our young men, we're inadvertently laying the groundwork for a stronger, more cohesive community. Our approach is holistic, aiming not just for individual transformation but for communal rejuvenation, anchoring the well-being of the entire whanau and community through the empowered growth of its young men.

Financial information

Amount requested: **\$250000.00**

Requesting grant for: Better Men seeks funding to establish itself as a dedicated social enterprise. Initial financial support is vital to set our foundation, initiate our community-driven programs, and reach those in need. Secure funding will also allow our team to commit full-time, ensuring consistent, impactful outreach. By allocating funds towards foundational costs and salaries, we aim to guarantee that our mission isn't just initiated but sustained, turning our vision of a better community into a tangible reality. We will use funds and make an immediate start on Cool2care and continue our work with defying depression as well as start more initiatives.

If part funded, how would you make up the difference:

With defying depression we will go as far as we can go. Our cool2care initiative will need to be written up and see what exactly will be required. Our founder will have more knowledge about this and it would be wise to speak with him directly about our funding needs.

Cost of participation: Our costs to continue defying depression. Bungee jumps etc. Check out our YouTube link

Kai Whakaawe Ki Te Uru Report – June – Dec 2023

Tēnā koutou e te hunga Pōari ā rohe,

There has been significant development in the space of the Kai Whakaawe role over the four year tenure of this position

The implementation of KPIs, objectives and measurable outcomes has ensured a clearer path for deliverables in terms of the Waitākere ki Tua document.

The West Auckland Local Board Advisors have been instrumental in the continued development of this role and the meeting of KPIs & objectives as outlined in Waitākere ki Tua

Work Programme – June – Dec 2023

Consultation with Council

We have been in consultation with Council & Ngā Mātārae for the past three and a half years on a variety of kaupapa and issues which have carried on into this quarterly period

Consultation hui with Mātaawaka & Mana Whenua have been held on the Marae for

- Māori Ward Seats (2)
- Māori Community engagement (2)
- Electoral engagement – Local & National

West Auckland Local Boards

- Waitākere Ranges & Henderson/Massey Local Boards have held business meetings on the Marae and Te Whau Local Board are booked in for early next year which will

meet the contractual obligations within the financial year. This is the first time that we have been able to organise and complete these objectives

- Our Marae Chairperson Eynon Delamere has met with the three Local Board Chairs as per the objectives outlined in Waitākere ki Tua. This relationship has been accentuated exponentially between the Marae Chair and the Local Board Chairs and a nice synergy has been implemented
- We have ran Māori Community Engagement hui with the three Local Boards
- The “Cultural Comfort” (Whakawhānaungatanga Wānanga) schedule (6) has been completed and the Boards have indicated that they want to continue with this. Awaiting on Advisors for the dates tbc
- A suggested process for unforeseen events such as suicide/murder/deaths has been presented to the Boards in light of scenario that we were faced with this year
- Have been part of the Ngā Kete Rukuruku renaming of parks and Te Kawerau ā Maki
- Te Whau Local Board have initiated the Pou Whākaio project for Rata Street New Lynn and have engaged Haumi Ltd to adhere to the project
- The design element has been submitted and accepted by both Te Whau Local Board and Te Kawerau ā Maki
- Haumi is now an approved Council Vendor and is applying to be a Vendor for future Project Management for projects of this type ie – The Te Ātatū Marae & Te Henga Marae Projects
- I meet with Advisors from the three Boards once a month to strategise and plan the work scheduled objectives

Citizenship Ceremony

Three years of planning found fruition in October this year to hold the first citizenship ceremony on a Marae. It was an amazing successful day with a cross section of DIA, Council Events, Local Board Advisors and Hoani Waititi Marae working together to initiate and run this day

This was a pilot programme to which future budgets will be based on

Advisors have met with DIA and Council to decipher the budget costs and DIA will be meeting with the three Local Boards in Jan-Feb 24 to explain the budgetary costs and future budget forecast

Rā Mokopuna & Rā Kaumatua

The three West Auckland Local Boards are in their fourth year of funding the West Auckland Rā Mokopuna and Rā Kaumatua that is run at Te Kura Kaupapa Māori o Te Kōtuku Rānui

The Rā Mokopuna attracts over 600 participants on the day and has been a great success

Te Rā Kaumatua attracts 50 Kaumatua and is a beautiful day of interaction between our elders and rangatahi

Ngā Roopu Kaumatua in West Auckland

We know have 4 established Roopu Kaumatua in West Auckland

Te Roopu Kaumatua o Hoani Waititi Marae

Te Roopu Kaumatua o Te Whānau o Waipareira

Te Taumata ki Keriana

Te Roopu Kaumatua o Te Whau

Te Whau Local Board funded the Roopu Kaumatua O Te Whau visit to the Marae

It was a beautiful day of interaction, fun and laughter

Immigration and Connecting Communities

We have hosted new immigrants & refugee services in conjunction with Kāhui Tū Kaha & HOPE Foundation to implement a protocol of interaction with Māori for new immigrants

Around 80 new immigrants attended the hui on the Marae

It was a great day and a great success. This is a continuing relationship being developed with the objective being to entrench this as standard practice and protocol for new immigrants coming into NZ as refugees

NZMA Trades Training

We are in our fourth year partnering with Tops Education NZMA Trades Training which was initiated as a post covid education strategy and response supported by Waitākere Ranges Local Board

The NZMA Trades Training Campus was the most most successful campus in NZ with this years student completion rate and movement into employment and apprenticeships sitting at 80%

Negotiations for resigning with the Marae for a continuation of service are tabled for Feb 24

Henderson Police Station

The Henderson Police Station Carved Tomokanga Project was a huge success

See attached booklet

Karetū Pou Whākaio

An Pou Whākaio project was done and completed for the Karetū Surf Club in unison with Sir Bob Harvey

Beautify Glen Eden project

Working with Waitākere Ranges Local Board Advisor Michael Alofa to plan the initiating stages of the Beautify Glen Eden Project. Looking at an initial start date for early 2024

Henderson/Massey Christmas Celebrations

Working with a cross representation of Community groups and Michael Alofa on the Henderson/Massey Local Board Christmas Celebration Parade for 2023

In closing and on behalf of Hoani Waititi Marae, we would like to thank the Local Boards & Advisors for the continued support and interaction with the West Auckland Māori Community and in the many projects and kaupapa that we have worked and completed together in the last four years to act as an exemplar for Tāmaki Mākaurau.

About the **TOMOKANGA**

Te Tāngaengaetanga o te Mauri Tangata

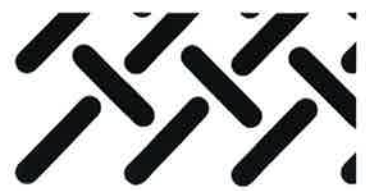

The Balance of Spirituality

The traditional carved entrance way was commissioned for the Waitematā District Headquarters in Henderson with the intent to give the station a more welcoming presence, for all visitors.

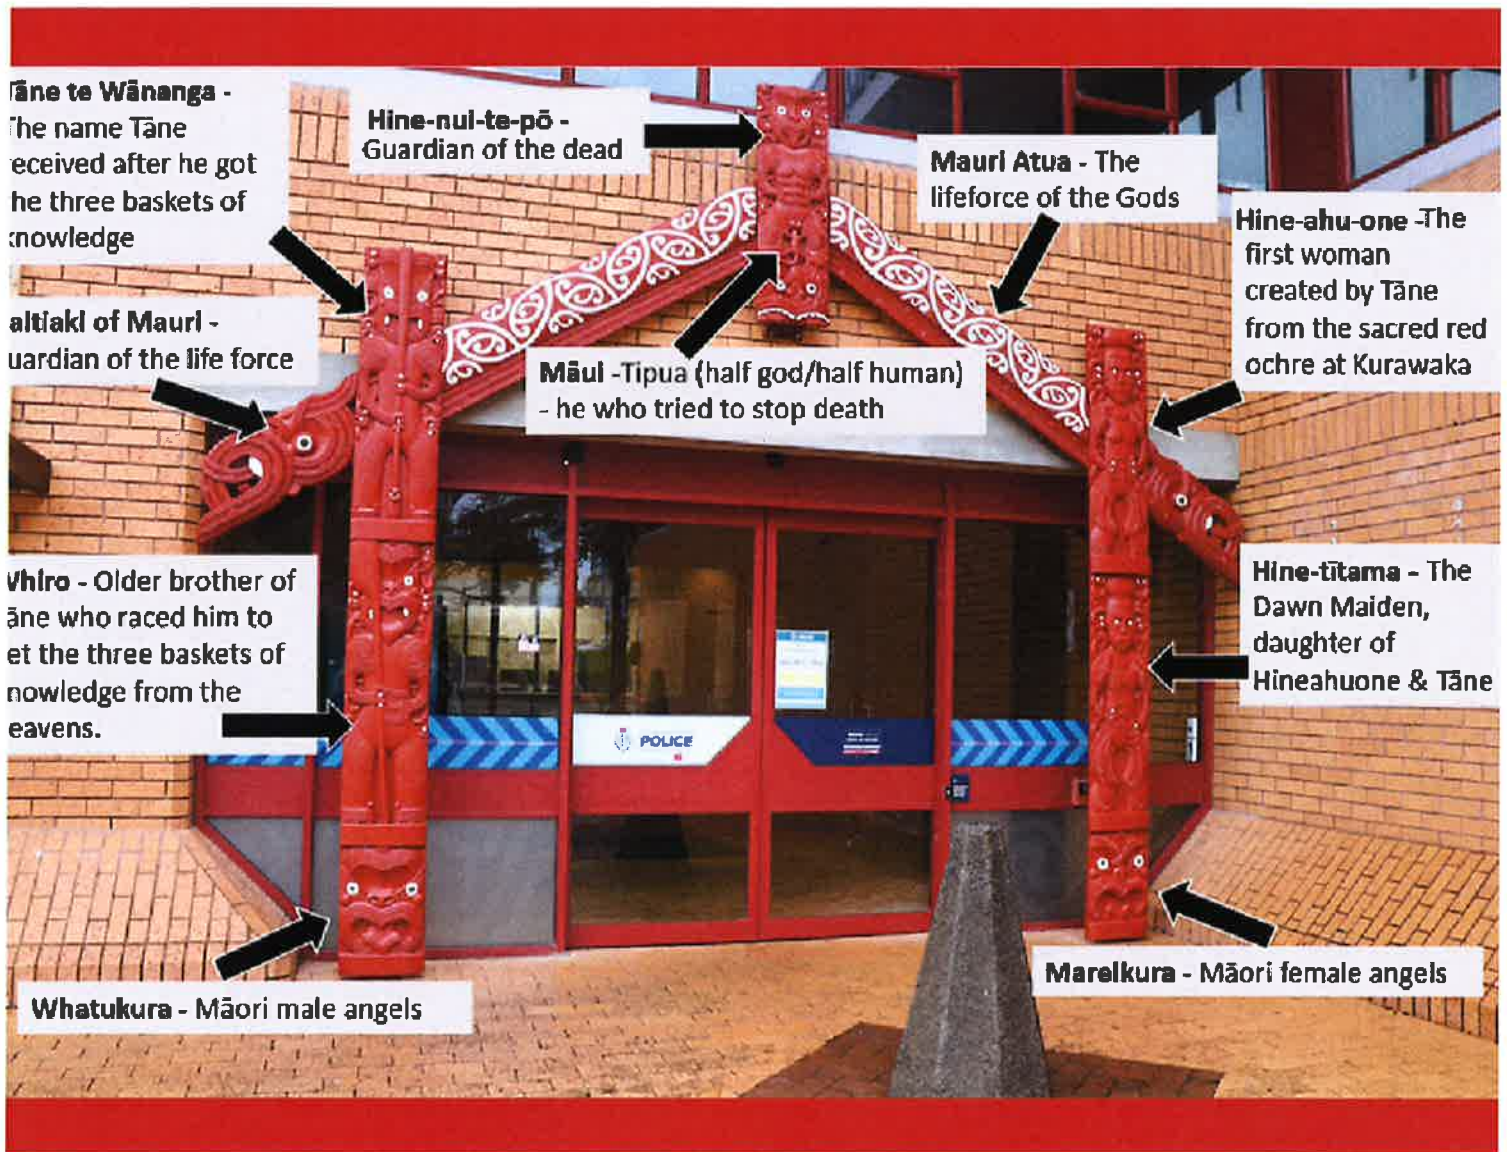

It is a celebration of the relationships that have been built with Iwi Māori in our district and our desire to continue to foster and strengthen those, and new relationships

It is also a bold statement of accountability to the community in terms of responsiveness to Māori – in line with our core New Zealand Police value, of Commitment to Māori and the Treaty.

In brief...

Hine-nui-te-pō

Hine-nui-te-pō is the ancestress and guardians of the underworld, and the transition from one life's realm to another.

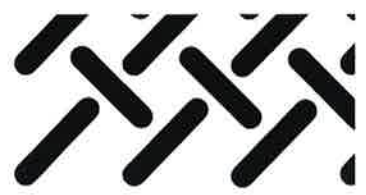

Hine-nui-te-pō resides as the Tekoteko of the Whare to remind us of man's continual need to challenge and push the boundaries of life.

The Mokomoko (lizard) represents Maui who tried to stop death by entering Hine-nui-te-pō to eat her heart. Again displaying mankind's consistent challenging of life's boundaries.

Ultimately Hine-nui-te-pō crushed Maui in between her legs reminding us that the circle of life can't be manipulated by man.

The bottom carved face represents Te Kūwatawata, one of the 70 children of Ranginui & Papatūānuku who is one of the guardians at the gateway of the underworld between the living and spiritual worlds.

Mauri Atua

The Kōwhaiwhai patterns represent the life force of the Gods descending from the Heavens to Papatuānuku - *Mother Earth*.

The joining of the celestial energies of the heavens to the earthly realm.

Tāne-te-Wānanga

The left side of the Tomokanga represents Te Ira Tāne - *the male lineage*.

Tāne te Wānanga represents Tāne being chosen by the Apa Whatukura - Māori male angels, to ascend the heavens to get the three baskets of knowledge to bring down for mankind.

Whiro

Whiro is the older brother of Tāne.

As the older brother, Whiro thought that he should have been chosen to get the three baskets of knowledge from the heavens and decided to ascend the heavens with his Ope Tauā - *war party*, to kill Tāne.

A battle commenced in the Heavens which was named Te Paerangi.

Tāne and his Ope Tauā defeated Whiro. Whiro and his Ope Tauā were

relegated to Rarohenga - the domain of the Underworld as a

Kaitiaki or guardian at the gateway between the realm of the living and the dead with Te Kūwatawata.

Whatukura

The Apa Whatukura - *Māori male angels*, are the male children of Io-matua-kore, *the supreme being*, and act as Kaitiaki on the Amo that represents Ira Tāne (the male lineage).

Kaitiaki o Te Mauri Atua

Māori pedagogy dictates that all things have a Mauri - *lifeforce*, and that everything as such has a Kaitaki/*guardian* of that Mauri.

The Atua - *Gods*, assign Kaitiaki to protect the Mauri descending from the heavens

Hine-ahu-one

Hine-ahu-one was the first woman created by Tāne and the Apa Whatukura from the kōkōwai (sacred red clay) at Kurawaka where Ranginui, the Sky Father and Papatuānuku, the Earth Mother were separated.

Their blood mixed with the red ochre clay at Kurawaka and made it tapu (sacred) and there Tāne created the first woman & Whare Tangata (conception & birthplace of mankind)
