<b>Submitter name</b>	
<b>Submission number</b>	
<b>Further submission number</b>	
<b>Date</b>	

This form is to be completed by submitters who wish to have their submissions allocated to additional hearing topics. Please use the [Guide to creating topic and subtopic parties lists](#) to determine your current hearing topics.

You must send your Additional Topic Allocation Form (Form) to the Hearing Advisor [npsudhearings@aucklandcouncil.govt.nz](mailto:npsudhearings@aucklandcouncil.govt.nz), as soon as possible or no later than 10 working days before the council's evidence is due.

On receipt of your Form, the Independent Hearing Panel (IHP) chair will determine whether to allow the request.

The IHP will make all Forms and its decision available on the Independent Hearing Panel webpage.

Note: Submitters will retain allocation of original hearing topics whether or not the chair grants the request.

## Additional Topic Allocation Criteria

The allocation request will only be permitted where:

- The primary submission is directly 'on' the requested topic, or if indirectly 'on' the requested topic reasons are to be provided why the additional allocation should be granted.
- The requested topic has not already been heard.
- The request is received no later than 10 working days prior to the council evidence exchange for the hearing topic (generally 25 working days before the hearing)
- The decision is consistent with the principles set out in [IHP Hearing Procedures](#) document dated December 2022 and any other Panel document.

**Panel Decision** – if granted in part, please specify below.

Granted	Declined	Date:	Signature: 
---------	----------	-------	--

Reason:

The requested topic has not been heard. The requests were received more than 10 working days prior to the council's exchange of evidence.

**Request 1 is granted** submission points 821.3 and 821.4 are 'additionally allocated' to Topic 011 Qualifying Matters (Special Character) - Business. While there are no subtopics under Topic 011 (as the hearing will address both Special Character Area - Residential and Special Character - Business) this additional topic allocation has been done to ensure that the requester can participate in expert conferencing for Special Character Areas – Business.

For completeness, the submission refers to all special character overlay areas within Freeman's Bay. This can reasonably be understood to include the Ponsonby St area where the Special Character Area - Business overlay applies. Therefore, it is 'on' Special Character Area - Business.
