Granted ✓	Declined	Date: 11 April 2023	Signature: 
-----------	----------	------------------------	--

Reason:

The requested topic has not been heard. The request was received more than 10 working days prior to the council's exchange of evidence.

**Request 1 is Granted** submission point 987.1 is additionally allocated to topics 014B Height – Business Height - Strategic Approach and 014J Height – RTN intensification response as it is 'on' the topics [topics inferred as the request did not specify the subtopic/s).

The submission specifically seeks to increase the height of sites within the Glen Innes Town Centre Height Variation Control and the Glen Innes RTN Walkable Catchment. Topic 014B and Topic 014J specifically addresses the height related matters sought by the submission, therefore, the submission is 'on' those topics.
