Review and amend the application of different zones based on the examples provided in the submission [refer to pages 1-104/104] and to address concerns raised in the submission.

2857	Milford Village Forum	Oppose in Part	5280-1	The New Zealand Institute of Architects	General	Chapter G General provisions	G2.4 Notification	Amend activity statuses to acknowledge that as the city intensifies a rules based system should give way to a more discretionary system. This should be implemented (i) by requiring a resource consent for more development proposals with a discretionary design review to be the norm for a greater proportion of developments; and (ii) by making more applications non-notified under the RMA and introducing a simpler, cheaper and less confrontational means of community consultation process outside the RMA framework.
