

## Rates relief application for flood and storm-damaged properties

We acknowledge that 2023 has been difficult for you and many residents in Tāmaki Makaurau. Our thoughts are with the thousands of Aucklanders severely impacted by the weather events in early 2023.

### Rates relief eligibility criteria

- a)** No person has lived in the property since 30 June 2023; **(and)**
- b)** The building is damaged from severe weather events in early 2023 **(and)**
  - i.** is in a state of disrepair; **(or)**
  - ii.** has insufficient or defective provisions against moisture penetration through the roof or external walls so as to cause dampness in the dwelling; **(or)**
  - iii.** does not have a supply of potable drinking water that is adequate for its intended use; **(or)**
  - iv.** does not have sanitary facilities (no working bathroom or kitchen) that are adequate for its intended use.

We will use building assessment information held by Auckland Council to review your application. If a council compliance officer has not carried out a recent building assessment, we may arrange one before making a decision.

Information marked in **bold** is mandatory.

**First name:**

-----

**Last name:**

-----

**Email:**

-----

**Contact phone number:**

-----

**Property address:**

-----

**Suburb:**

-----

Rates assessment number (if known):

-----

**Was your property uninhabitable (i.e. no persons residing in the property) as of 30 June 2023?**

Yes      No

**Do you agree to a building inspection/assessment if required?**

Yes      No

**Rates relief is based on storm damage that is currently still affecting your property. Attach photos taken after 30 June 2023, showing evidence of storm damage at your property.**

Attach any other documents that support your application.

State below if you would like us to consider anything else with your application.

If your rates relief is approved, this will be included on the land information memorandum (LIM).

**To the best of my knowledge, the information I have supplied is accurate.**
